The Young People's Society of St. Columba Presbyterian church, Fairville, held a very successful congregational social last evening. The attendance was large and all present greatly enjoyed the varied programme of vocal and instrumental music.

The Colwell orchestra contributed much to the pleasure of the evening while an Edison phonograph loaned for the occasion by W. H. Thorne & Co. Ltd., delighted the audience. The remainder of the programme consisted of violin selections by Miss May Betts; violin and piano duets by Packard and Teddy Campbell; and vocal solos by Miss Sadie Cougle, Purdy Cougle and Arthur Doherty.

LARGE APARTMENT HOUSE PLANNED FOR LANCASTER

It is understood that negotiations are under way for the purchase of property in Lancaster for the erection of a modern apartment house. Both local and Montreal parties are interested in the deal. The proposed building will be up-to-date in all respects.

POLICE COURT

In the police court this morning Lewis Ewart was charged with stealing a trunk containing clothing and other articles, valued at \$80. The chief witness for the prosecution, Eliza Peterson, says the clothes belong to her. The case seems to be rather in the nature of a family quarrel. Those interested finally agreed to give the woman all that she could identify as hers so the trunk was opened and it was found its contents belonged to her but it was said there were several other articles at 64 Waterloo street which also belongs to her. She was taken to the house to identify the goods and if the matter could be disposed of to the satisfaction of all in this way, the accused would be allowed to go. The three ladies charged with stealing cloth from the store of Hoffman Bros. were again brought before the court and remanded until this afternoon for decision. W. M. Ryan conducted the case for the prosecution and E. S. Ritchie, J. A. Barry and E. J. Humphreys acted for the defence. The case against Fred Mahoney and William Wilson, charged with acting as pimps in an alley off Charlotte street, was resumed. Frank Denison, an ice cream maker in Bond's sold off seeing two men run out of the alley on Wednesday night and later a policeman asked him if he had seen them. He said he saw two men in the alley on Saturday night and again on Monday night there were two there, one under the fire escape and another in the yard. He told of overhearing this conversation "it would be an easy matter to get through here." He said he told the men to get out of the alley as he had orders not to allow any person in there. The accused were remanded. Two men charged with drunkenness were remanded to jail.
