

CANADIANS IN TRIUMPHANT MARCH TO RHINE, CROSS BORDER TO STRAINS OF THE MAPLE LEAF

(By J. F. B. LIVESAY, Canadian Press Correspondent.)

With the Canadian Corps in Germany, Dec. 4.—The Canadian troops crossed the German border today, the First Canadian Division at Poteau and another Canadian division further south. It was raining and the rolling hills and forest of Ardennes, the home of the wild boar and stag, were swathed in mist.

At Poteau, a poor hamlet on the Belgian side of the frontier, a group of Belgians cheered and waved the only flag they possessed as our men passed by. Just across the frontier, which was otherwise unmarked, is a post, resembling, with its black and white stripes, a barber's pole. Beside this is the German customs house, where still its uniformed officials preside.

Sir Arthur Gorrie, commander of the Canadian Corps, who crossed the frontier yesterday, was accompanied by his staff, including Lt. Col. Arthur of Connaught, who has returned to his duties with the Canadian Corps, and the general officer commanding our first division, with his staff.

The Canadian Light Horse furnished an escort and the infantry which was the first to pass the saluting point was the Third Battalion of Toronto, followed by the First Battalion of Western Ontario and the Fourth and Second Canadian Batteries. The corps commander, whose fine, impressive figure is a rock of elemental strength and power, took the salute exactly on the boundary line. The first men to pass him marched to the tune of the Maple Leaf. It was a wonderful sight, the outward and visible sign of victory, so hardly won after four years of battle. These battalions, swinging along in time, eager, confident, disciplined, had fought their way from Ypres to the Somme, from Vimy through Passchendaele, back to Amiens and then from Arras to Cambrai and Valenciennes to Mons.

The Same Conquering Spirit.

They began their long march through the Belgian plain and thence had climbed steadily up and over the height of land of the Ardennes patiently and cheerfully. They had suffered deprivation and discomfort, they had brought with them the same conquering spirit that carried them through blither years of trench warfare. A cleaner, fiercer lot of men were never seen. One's heart thrilled to see them go by, Canada triumphant upon their march to the Rhine. One sorrowed for that great army whose sacrifice had made this day possible, but who in spirit still march beside us. The Canadian Engineers received instructions to lay out a defence line for the Canadians in front of our bridge-heads on the east bank of the Rhine.

Some of our signallers who had penetrated deeper into German territory to take over the telegraphic and telephone lines reported an almost obsequious disposition on the part of the enemy to part every convenience at our disposal. Vigilance, however, will not be relaxed one minute. We are taking no chances as was shown today, when, for the first time, infantry escorts accompanied the batteries.

In the self-same chateau occupied tonight by the Canadian Corps commander, the German Crown Prince lay in wait for the momentous day before the signing of the armistice. It was then that he was reported assassinated on the Dutch border and it was only after the armistice was signed that he left and made good his getaway into Holland.

KIDNEYS WEAKENED BY SPANISH "FLU" Are Restored to Their Former State of Health by

Gin Pills FOR THE KIDNEYS

Hundreds of letters from all parts of Canada prove this assertion. If you have been a victim to the "Flu," don't hesitate—take GIN PILLS.

THE NATIONAL DRUG & CHEMICAL CO. OF CANADA, LIMITED, Toronto, Ont.

After a Hard Day's Work

Rub the tired muscles with a few drops of the soothing, refreshing, antiseptic liniment, Absorbine, Jr. You will find it pleasant and convenient to use and remarkably efficacious. This liniment invigorates tired muscles, limbers the joints and prevents second day soreness and lameness after a strenuous, tiresome day of sport or work.

America's best athletes and trainers use Absorbine, Jr., to relieve strains and sprains and also as a rub-down before vigorous exercise to prevent such conditions.

Absorbine, Jr., is concentrated and therefore economical—only a few drops are required at an application. One ounce Absorbine, Jr., to a quart of water or witch hazel makes an invigorating rub-down and general purpose liniment. \$1.25 a bottle at druggists or postpaid. Send 10c. for literature and sample of cure regular size for your druggist to day.

W. F. Young, P.D.F., 317 Lyman Road, Montreal, Can.

DOCTOR COULD NOT HELP HER

But Lydia E. Pinkham's Vegetable Compound Saved Her from a Serious Operation.

Brooklyn, N. Y.—"I suffered something dreadful from a displacement and two very bad attacks of inflammation. My doctor said he could do nothing more for me and I would have to go to the hospital for an operation. But Lydia E. Pinkham's Vegetable Compound and Sanative Wash have entirely cured me of my troubles and I am now in good health. I am willing you should use my testimonial and hope to benefit other suffering women by so doing."—Mrs. F. FLATT, 8 Woodbine St., Brooklyn, N. Y.

Operations upon women in the hospitals are constantly on the increase, but before submitting to an operation for ailments peculiar to their sex every woman owes it to herself to give that famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. If complications exist write Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice.

BE PRETTY! TURN GRAY HAIR DARK

Try Grandmother's old Favorite Recipe of Sage Tea and Sulphur.

Almost everyone knows that Sage Tea and Sulphur, properly compounded, brings back the natural color and lustre to the hair when faded, streaked or gray. Years ago the only way to get this mixture was to make it at home, which was a messy and troublesome. Nowadays, by asking at any drug store for "Wyeth's Sage and Sulphur Compound," you will get a large bottle of this famous old recipe, improved by the addition of other ingredients, at a small cost.

Don't say gray! Try it! No one can possibly tell that you have darkened your hair as it does it so naturally and evenly. You dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning the gray hair disappears, and after another application of two, your hair becomes beautifully dark, glossy and attractive.

Wyeth's Sage and Sulphur Compound is a delightful toilet requisite for those who desire dark hair and a youthful appearance. It is not intended for the cure, mitigation or prevention of disease.

CO-ORDINATION DRAWS LABORITES TO CAPITAL

Coming Together Presages Bettering of Conditions in the Near Future

Will Process Extend?—Hoped Will to Co-operate Will be Followed by Workers to All Trades

(Special to the Toronto Star.)

Ottawa, Dec. 5.—A coming together in a preliminary way on unconfrontational matters. This marks the extent of the present co-operation between labor and capital as it appears in the joint manifesto to the government signed by representatives of labor, technicians, manufacturers and the Canadian Manufacturers' Association.

The "punch line"—the point where a conflict of interests would arise—has not been reached. Those who have taken part in the negotiations believe that this punch-line may be pushed back farther than would have appeared likely only a few days ago. Representatives of organized labor who signed the joint statement feel they represent majority opinion in the trade unions and in the labor movement as a whole. They are moving in the direction of co-operation with employers rather than warfare. They admit there is an element of uncertainty, but they think it is a minority group.

Improved Industrial Relations. The origin of this particular "rap-prochement" is to be found in the Canadian Manufacturers' Association's reconstruction committee has met on one or two occasions with the labor sub-committee of the reconstruction committee of the cabinet. Will the efforts to reconstruct Hungary, says a Central News despatch from Amsterdam. The count's attempt to take his life was frustrated, the message states, but no details are given.

The government, the despatch adds, appears to be unable to prevent the partition of the country into small republics.

STRONG ARGUMENT FOR PHYSICAL EXAMINATION

Chicago, Dec. 10.—The high percentage of men rejected as physically unfit for military service was taken as the basis for a demand for compulsory physical examination of school children and their compulsory physical training. The American Health Association, of Baltimore, an average of seventy per cent of those examined under selection of the army were rejected. According to his figures, and sixty per cent of those examined for the navy and volunteers for the army were likewise rejected.

C. O. E. INSTITUTE.

The annual convocation of the Church of England Institute was held in the institute rooms last night and was a large and successful gathering. Very many of the members were present and the arrangements for the evening were admirably carried out. Refreshments were served by the able committee of which Mrs. T. E. G. Armstrong was the convener. The auctioning of the second year of the institute was a success. The evening was a success. The evening was a success.

THOUGHT IT WAS A BOIL Doctor Said Abscess

Mr. Gleason R. Young, Kingsport, N. B., under date of Feb. 28, 1918, writes as follows: "About five months ago a lump came on my jaw-bone. I thought it was a boil, and after it had been there quite a while it began to get larger. I went to a doctor and he said it was an abscess, and lanced it. He gave me a wash for it, so I went by his directions until it healed up. But it commenced coming again, and in about three weeks it broke itself. I thought it would get better, but it didn't. A neighbor advised me to get a bottle of Burdock Blood Bitters. I sent and got a bottle, and by the time it was all gone, the abscess had disappeared, and now it is all better."

Burdock Blood Bitters will heal and dry up sores, ulcers, and abscesses, no matter how large or of how long standing. It is a blood purifier and it cuts out, wound, sore or ulcer, just try it and see what soothing, healing, cleansing power it possesses. It takes out itching, stinging and burning, and promotes the growth of healthy flesh. So, too, when taken internally, by its power of eliminating all impurities from the blood and making that vital fluid rich, red and pure, it cuts off the origin and source of the foul matter that goes to make boils, pimples, sores, ulcers, abscesses and the like, and at the same time the purified and enriched blood creates healthy tissue where there was formerly, perhaps, a sore full of pus.

Burdock Blood Bitters has been on the market for 40 years. Manufactured only by The T. Milburn Co., Limited, Toronto, Ont.

RECENT DEATHS

Samuel O'Donnell.

The death occurred yesterday of Samuel O'Donnell from pneumonia in this city. Mr. O'Donnell lived in Minto where he followed the carpentering trade and his many friends will miss him with regret. He is survived by two sons, John, of this city, and Michael, in France; and two daughters, Mrs. Daniel Walter, of Minneapolis, and Mrs. Zill Cowan, of this city. Interment will take place at Minto.

Samuel W. McCavour.

Friends of Samuel W. McCavour will hear with regret of his death which occurred yesterday at his home in Lorneville from pneumonia. Mr. McCavour was very active in church and Sunday school work and he will be missed in these circles. He is survived by his father, John McCavour; four brothers, William, of Lorneville; Ernest, overseas; Stephen, of the Depot Battalion, and Douglas, at home; also three sisters, Mrs. Bristol Hargrove, of Dipper Harbor, Mrs. George Stratton, of Lorneville, and Miss Alberta, at home. William McCavour, of the St. John Mercantile Co., is an uncle. The funeral will be held from his late residence Thursday afternoon at 2.30.

On Saturday in Fredericton William Thomas McGeachy died at the age of three years. He is survived by son, G. Alexander Murray of Fredericton, one brother, George, of St. John, and one sister, Mrs. J. R. McGeachy. The late Coun. John Murray was a brother of the deceased. E. Raney Murray and the late W. H. Murray of St. John were cousins. Burial will be at the residence of Fredericton is a brother-in-law.

Geo. R. Smith, son of Mrs. Ida Smith of this city, died in Warren, Ala., recently. Besides his mother, his wife and child survive. His wife was formerly Miss McFarlane of Waas. He was employed as a telephone operator by the C. P. R.

On Saturday afternoon Henry William Frederick died. He was fifty-four years of age and is survived by one brother, Charles, and one sister, Elizabeth.

BURIED ON TUESDAY.

The funeral of Miss Alice L. Delay took place yesterday morning from Messrs. Fitzpatrick's undertaking rooms to the Cathedral, where requiem high mass was celebrated by Rev. A. P. Allen. Rev. H. L. Belliveau acted as deacon and Rev. W. L. Moore as sub-deacon. The final absolution was administered by the Rev. A. P. Allen. Interment was made in the new Catholic cemetery.

COUNT KAROLYI TRIED TO COMMIT SUICIDE

London, Dec. 10.—Count Michael Karolyi, who took a prominent part in the recent proclamation of a Hungarian republic, is reported in a Budapest telegram to have committed suicide in despair over the failure of his efforts to reconstruct Hungary, says a Central News despatch from Amsterdam. The count's attempt to take his life was frustrated, the message states, but no details are given.

RECENT WEDDINGS

The wedding of David Chetley of St. John and Miss Lillian Edna Pitt, also of this city, was solemnized last evening at the residence of the officiating clergyman Rev. J. H. Jenner.

Lieutenant A. Edmund Humphrey of Apohqui, was united in marriage at St. Gabriel's church, Crickwood, England, on November 16, to Miss Barbara Tiddwell of England.

The Rev. W. R. Robinson united in marriage yesterday at the home of Mr. and Mrs. John W. Best, Prince street, his daughter, Miss Gladys Mand Best, and George W. Adams of West St. John.

Constipation, health's worst enemy, can be easily conquered with

"RIGA"

Purgative Water, which acts mildly, yet surely, without causing colic, cramps or weakness.

PTE. JOS. A. HOMES DEAD IN FRANCE

Mrs. Francis Homes, 18 Hospital street, received word yesterday that her son, Private Joseph Arthur Homes, a member of the Army Service Corps, had died in France on December 2 of influenza. Private Homes went overseas at the beginning of the war in the detachment of the Army Service Corps under Col. Masie, D.S.O., and was within a short period of his arrival in England on his way across the channel to France. Previous to enlisting Private Homes was a permanent fireman of the local department. He was attached to station No. 5, North End, where he was stationed for some time and had also served in several of the stations in the city. He was popular and well liked and the report of his death now in France coming as it does following the loss of his wife will be extremely regretted. Deep sympathy will be extended to the bereaved mother and other members of the family.

Private Homes leaves, besides his mother, two brothers, Thomas and William, the latter a divinity student in Minnesota (U. S. A.), and one sister, Mrs. J. R. McFulfin, this city.

Frank Gabriel, who a few months ago, was reported killed in action, and was later, through Red Cross efforts, repatriated and is now in England.

SUES FOR LOSS IN HALIFAX DISASTER

Halifax, Dec. 10.—Writs were issued in the supreme court here today requiring sixty-three insurance companies to show cause why they are not liable for damages aggregating \$400,000 sustained in the destruction of the Richmond park of the American Red Cross Society as a direct result of the explosion of December 6, 1917.

There are thousands of such claims pending in Halifax, so that this is the first one to get into the courts, and it is currently believed that the preparation of Canada's account against Germany may have some bearing on the action. The liability of the insurance companies for losses by fire caused indirectly by the explosion has been under consideration for some time, and it has been agreed that no action should be brought against the companies pending an expert investigation as to merits of every responsibility. It is understood in this connection that the investigators have decided upon a percentage which they feel the insurance companies should be called upon to pay in the settlement of all claims based on damage by fire alone but the matter has yet to be finally disposed of.

MORNING NEWS OVER THE WIRES

A Canadian trade commission is to be created by the government. The board will have its headquarters in Ottawa and will co-operate closely with the Canadian mission in London. It will be the duty of the commission to secure for Canadian producers a share of the business arising out of reconstruction work in France and Belgium.

The citizenship of George Washington, carrying President Wilson and the American delegates to the peace conference in Paris, passed Azores yesterday afternoon.

Magistrate P. W. F. Brewster in the autumn court yesterday afternoon, having liquor in his possession other than his dwelling. M. H. Parlee of Hampton appeared on behalf of the defendant.

A large grainery, owned by Fred H. Keith of Penobscot, was destroyed by early yesterday morning. It contained a large quantity of grain, farm machinery and poultry. The loss is estimated at \$10,000.

The cost of living branch of the local department has requested that prosecutions be instituted at once against certain Montreal milk dealers. Under the act no milk dealer within the province of Ontario and Quebec may charge more for milk than five cents per quart above the amount paid by the milk producer.

TRAVELERS WILL HELP.

A large number attended a meeting of commercial travelers called last night to meet at the board of trade. The primary purpose was to interest men in attending the annual meeting of the Maritime Commercial Travelers' Association, which is to be held at Halifax. About twenty signified their intention to attend. Arrangements have already been made for a special car to leave on Thursday night and it will wait over to bring the local delegation back on Friday.

A delegation was present from the Red Triangle Club, including A. O. Skinner, president; Captain Stokes and George E. Barbour, asking the travelers to aid in the reorganization of returned men and the organization desired to lend its aid.

There was also a delegation from the Rotary Club asking the travelers to assist in the forthcoming Salvation Army drive, the men willingly volunteered their support in this movement as well.

T. E. Gunn presided and T. E. Simpson acted as secretary.

RECENT WEDDINGS

The wedding of David Chetley of St. John and Miss Lillian Edna Pitt, also of this city, was solemnized last evening at the residence of the officiating clergyman Rev. J. H. Jenner.

Lieutenant A. Edmund Humphrey of Apohqui, was united in marriage at St. Gabriel's church, Crickwood, England, on November 16, to Miss Barbara Tiddwell of England.

The Rev. W. R. Robinson united in marriage yesterday at the home of Mr. and Mrs. John W. Best, Prince street, his daughter, Miss Gladys Mand Best, and George W. Adams of West St. John.

REPORTS ON V.A.D. DIET KITCHEN

The V. A. D.'s and their helpers during the epidemic, held a meeting in the Stone church hall last evening in order to review the work which had been accomplished by them in combating the influenza. The marvelous record which they presented reflects undying credit on the organization. Mrs. G. A. Kuhring, the commandant, was in the chair and Mrs. Hayes who was present at the meeting expressed to all the workers the hearty thanks which it was their duty to present.

Mrs. Kuhring said that as the work had developed voluntary help had reinforced the brigade members and she read the names of all those helpers thanking them heartily for their assistance. She went on to report that 168 households had been nursed, two professional nurses had been called and about twenty experienced nurses.

Mrs. Kuhring paid a tribute to the excellent system instituted by Mrs. T. E. Girvan in carrying on the work of the diet kitchen.

The other reports were read as follows: Miss Munro for the hospitals; Miss Kathleen Sturdee's report for the diet kitchen; and Mrs. J. A. Kuhring, the commandant, was in the chair and Mrs. Hayes who was present at the meeting expressed to all the workers the hearty thanks which it was their duty to present.

The financial report given by Mrs. T. E. Girvan showed that the amount of money received by voluntary contribution was \$1,461.91 by the sale of diets, \$44.97, giving a total of \$1,506.88. The expenditures totaled \$1,438.35 and of this \$837.53 had been paid for nursing service and transportation and the purchase of linen and drugs. The remainder had been expended in running the diet kitchen and in delivering the diets when had been necessary to hire an automobile.

Families without money to pay for their food were given \$200 worth of groceries, this money having been donated for that purpose by St. George's and St. Andrew's Societies. The diet kitchen had had on its books 365 families and had sent out 30,000 packages. The greatest number of families supplied in one day was 159 and the total number of people supplied was 900.

The thanks of the meeting were expressed to all who had assisted them in any way, to all whom they had helped, and to all who had given of their time and special praise was given to the men of the households who had worked by day and done nursing and housework by night in their homes.

Remove Those Unsightly Warts

By applying Putnam's Corn and Wart Extractor. It cures corns, warts and warts permanently, painlessly and surely. Every druggist in America recommends and sells Putnam's Extractor; it's the best, 25c. per bottle.

MRS. WARREN TOLD OF HER WAR WORK

Mrs. Philip Warren, whose visit to the city, to the regret of her many friends, will come to an end on Thursday when she leaves for her home in England, was the chief speaker at a meeting of the W. G. W. V. A. hall last evening. Mrs. Warren had been asked to give an account of her experiences as war work secretary of the association and she delivered an extremely interesting lecture.

Mrs. Gertrude Perry, who has arrived in St. John to take charge of the association department, work here also addressed the meeting for a few minutes telling of the plans for the reception of the soldiers' dependents arriving at the port. Mrs. J. A. McAvity, the president, was in the chair.

KILLED IN ACTION

Miss Jeanette MacKenzie had word recently that her nephew, D. A. MacKenzie, of Kincardine (N. B.), was killed in action on September 28, and is buried in a number of his comrades near Bourlon Wood.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

If Cross, Feverish or Bilious Give "California Syrup of Figs"

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given. If your little one is out-of-sorts, half-sick, isn't resting, eating and acting unreasonably, look, Mother, see if tongue is coated. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad, or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, indigestible food and sour bile gently moves out of its little bowels without gripping and you have a well, playful child again.

Mother, can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they thereby love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."

Famous Old Recipe for Cough Syrup

Easily and cheaply made at home. But it beats them all for quick results.

Thousands of housewives have found that they can save four-fifths of the money usually spent for cough preparations, by using this well-known old recipe for making cough syrup at home. It is simple and cheap to make, but it really has no equal for prompt results. It takes right hold of a cough and gives immediate relief, usually stopping an ordinary cough in 24 hours or less.

Get 2½ ounces of Pinex (50 cents worth) from any druggist, pour it into a 16-oz. bottle, and add plain granulated sugar syrup to make 16 ounces. If you prefer, use clarified molasses, honey, or corn syrup. Instead of sugar syrup. Either way, it tastes good, keeps perfectly, and lasts a family a long time.

It is a truly astonishing how quickly it acts, penetrating through every air passage of the throat and lungs—loosens and raises the phlegm, soothes and heals the membranes, and gradually but surely the annoying cough rattle and wheezing cough disappear entirely. Nothing better for bronchitis, spasmodic cough, whooping cough or bronchial asthma.

Pinex is a special and highly concentrated compound of genuine Norwegian pine extract, known the world over for its healing effect on the membranes.

Avoid disappointment in buying your druggist for "2½ ounces of Pinex" with full directions and don't accept anything else. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head cold, croup, whooping cough, and open, breathing become easy and the mucus stop dropping into the throat. It is easy to prepare, costs little and is pleasant to take. Ask one who has a Catarrh of the nose, ears, or head of hearing or give this prescription a trial.

Hopes Women Will Adopt This Habit As Well As Men

Glass of hot water each morning helps you look and feel clean, sweet, fresh.

Happy, bright, alert—vigorous and vivacious—a good clear skin; a natural rosy complexion; freedom from illness are assured only by clean, healthy blood. If only every woman and child were to adopt this habit, the wonders of the morning inside bath, what a gratifying change would take place.

Instead of the thousands of sickly, anemic-looking men, women and girls with pasty or muddy complexions; instead of the multitude of headaches, "run-downs," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people every where.

An inside bath is had by drinking, each morning before breakfast, a glass of hot water with a natural, pure, limestone phosphate in it to wash from the stomach, liver, kidneys and ten days of bowels the previous day's indigestible waste. The result is a clean, healthy, and freshening the entire alimentary canal before putting more food into the stomach.

These subject to such headaches, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance of those who practice internal sanitation.

TELLS DYSPEPTICS WHAT TO EAT

Avoid Indigestion, Sour Acid Stomach, Heartburn, Gas on Stomach, Etc.

Indigestion and practically all forms of stomach trouble, say medical authorities, are due nine times out of ten to an excess of hydrochloric acid in the stomach. Chronic "acid stomach" is exceedingly dangerous and sufferers should desire one of two things.

Either they can go on a limited and often disagreeable diet, avoiding foods that disagree with them, that irritate the stomach and lead to excess acid secretion or they can eat as they please in reason and make it a practice to counteract the effect of the harmful acid and prevent the formation of gas, sourness or premature fermentation by the use of a little Bismarck's Magnesia. This is a sure sign that its little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad, or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, indigestible food and sour bile gently moves out of its little bowels without gripping and you have a well, playful child again.

Mother, can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they thereby love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle.

Beware of counterfeit fig syrups. Ask your druggist for a bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company."
