TODAY'S POLICE COURT

Stone Thrown Through North End Liquor Shop Window—Followed Girl, Say Police, is Arrested

Joseph Morrow, an old man, was arraigned in the police court this morning charged with wilfully breaking a plate glass window in Peter Mahony's liquor saloon in Main street on Saturday last. He pleaded not guilty and denied having broken the window at all.

Herbert Foster swore that he saw Morrow pick up a stone and throw it at the window. After hearing the case, the judge found Morrow guilty and sentenced him to three months in jail for the first offence and six months for the second.

Mr. Mahony said that Morrow had gone into his store on Saturday afternoon and wanted to buy a bottle of gin. He would not sell it to him and the prisoner went out. Soon after the window was broken. The prisoner was remanded.

Joseph Williams, arrested on charges of lying and lurking in the hall of the King's Daughters' Guild in Prince William street on Sunday morning at three o'clock, pleaded guilty. He said that he arrived in the city late on Saturday night and had no place to go.

Policeman Rankine said that he had followed a girl along Prince William street on Saturday night and when she went in to the guild the prisoner also tried to go in. Williams was also charged with resting on the police. He was fined \$8 or thirty days in jail on the first charge and \$10 or two months in jail for the second.

Herbert Addison, arrested for being drunk and also charged with resisting the police was fined \$8 or thirty days in jail for drunkenness and \$10 or two months in jail for resisting.

William Hatfield and Oscar Roberts, arrested for fighting on the Red Head Road, pleaded guilty and were remanded.

Three other prisoners charged with drunkenness, were remanded. His Honor, in remanding them to jail, instructed the police to make enquiries as to where the men got the liquor on Sunday. "I am informed," he said, "that liquor is being sold in a resort in Water street on Sundays and other days illegally, and I would like to see the proprietor brought to court."

A large number attended the united picnic of Calvin and St. John Presbyterian churches on Saturday at Robesay, and with fine weather and an interesting programme of entertainment, the day was spent in keen enjoyment. The morning train to the grounds carried large numbers of the Sunday school children with many adults, while the noon train was well filled with the grown-up members of the congregations. Arriving at the grounds the picnickers spent the day very pleasantly, and much interest was taken in a programme of sports in the afternoon.

THREE ST. JOHN BOYS IN VISITING CAMBRIDGE BAND

First Official Feature of Old Home Week Will be Tonight's Concert—The Programme

The widely heralded Back to New Brunswick Week will be formally opened tomorrow, but the celebration really commences today, judging by the numbers of visitors who are arriving in the city. The special programme also commences today with a concert by the famous Cambridge City Band in St. Andrew's Rink. As this is the only feature on the official programme today, it is expected that it will be patronized by many and the fame of the band as a group of accomplished musicians should make a record breaking audience a certainty.

It is some time since St. John people have had an opportunity to hear a famous band from other states and the Cambridge musicians should be warmly welcomed. Captain Zeally, their leader, was at one time lieutenant in Godfrey's Band, an organization of world-wide reputation, and he has brought his own band up to a standard of almost equal merit. Every member of the organization is a soloist on his own instrument, and a musical treat is provided for this evening. The band has been brought to St. John at great expense and it has been necessary to make a small admission charge, but the price of admission does not begin to represent the value that will be given.

It is interesting to note that three of the members of the band are former St. John boys. These are John D. Taylor, James L. Taylor, and H. S. Crawford. Other members of the band are also well known here. The business affairs of the band are being looked after by K. H. Wade of the writing staff of the Boston Herald.

This evening's programme is here given. There will be a complete change on each of the occasions when they will be heard here. As the rest of the week will be crowded with various attractions this evening's concert will give everyone a good opportunity to hear the famous band without conflicting with other engagements.

The programme is:

March, "Coronation," from The Prophet.
Overture, "William Tell."
Serenade, "Love in Idleness."
Cornet solo, "Honeyuckle Polka."
John E. Dyer.
Selection, "The Pink Lady."
Caryl.
Intermission.
March, "The Thunder."
Sousa.
Concert waltz, "Dolores."
Waldteufel.
Novalis.
"L'Esquiescence."
Hommer.
B. "Humorske."
Descriptive Fantasia, "Cipriani."
LeThiere.
Selection, "Red Widow."
Gebest.
March, "Back to New Brunswick."
Stevens.
(Dedicated to Old Home Week, 1912, composed by W. F. Stevens, saxophone, Cambridge City Band).
Encore numbers—latest popular hits.
God Save the King.

MORE COMPLAINTS ABOUT THE ROADS

From Fairville to South Bay Almost Impassable—Visitors From Maine Get Bumping

Dr. F. H. Neve, of Carleton, called at the Times office this morning to complain of the disgraceful condition of the road leading from Fairville to South Bay. He says that the road was in fairly good condition yesterday, but that this morning the road machine was put to work on it and has made it a hundred per cent worse. The road and material from the side of the road have been dug up and thrown into the centre of the road, making it practically impassable. In trying to get through it the doctor did considerable damage to his auto.

This method of road-making, or rather unmaking, seems to be quite popular with the government officials. Automobile parties who arrive in the city on Saturday from Maine report that the roads from Calais to St. John are shamefully bad and in need of immediate repair.

A GREAT BASEBALL WEEK

All of the ball games to be played here this week will be regular scheduled games and no doubt will be well patronized. The home team left for Fredericton today, but will play at home for the rest of the week.

Woodstock will play here tomorrow and Wednesday. The Fredericton team will be the attraction on Thursday and Friday, and on Saturday the Hamilton Reds will play a game. Plenty of baseball this week.

GAGETOWN GETS A BANK

In preparation for the great period of development which has commenced in the St. John River Valley district, the Bank of Nova Scotia, with customary enterprise, has invaded the field and has established a branch at Lower Gagetown. The office, which was opened today, will be in charge of G. M. Schurman, who has been connected with the Moncton branch. The opening up of the valley country as the result of railway construction is expected to produce a large volume of business and the Bank of Nova Scotia's new office will be a convenience to business men and others in that district.
