THE SPECIAL SALE

Which Came to a Close at Our
Stores on Union and Mill Streets

on Friday night last was one of the most successful held by us in recent years. The rush at times on Friday was tremendous. Necessarily we find quite a batch of odd sizes and broken lots that we do not wish to place in regular stock again. We have cut down the low prices that prevailed during the sale and placed the entire lot in bins throughout the stores, and for three days will continue a Sweeping Out Sale. Now, if you really want a bargain, come and look through the bins.

Is Your Baby STURDY, or just FAT?

Some foods merely *plump* a child with fat, without leaving any solid good behind. A baby at five or six months may be a triumph of the *feeding* powers of food—and yet, at two years, may be thin and suffering from rickets.

NEAVE'S FOOD FOR INFANTS
Is perfectly balanced. It not only produces a fine baby—it also insures that baby growing into a healthy adult, because Neave's Food contains all the essentials for flesh and bone.

Our oldest boy, Maurice, is five years old. We put him on Neave's Food when he was one week old and he never tasted anything else until his first birthday. He is very bright and intelligent, strong and sturdy, has never had an illness and is one of the bestest boys I have ever seen. We owe it all to the good foundation laid by Neave's Food." Mrs. J. W. M. E. AGAR IN ADDRESS AT EVERY DAY CLUB

At the Every Day Club last evening M. E. Agar gave a very interesting address on the significance of Dominion Day. He gave first a historical review, touching the periods of discovery, settlement and conquest, the coming of the Loyalists, the foundation of the provinces, the movement for confederation, the acquisition of the northwest and the bringing into one dominion all the territory from the Atlantic to the Pacific.

Mr. Agar told in a very interesting way of the struggle for confederation in New Brunswick, recalling the leading figures, and touched also upon the changes brought about by railway construction and the development of new areas, bringing in a steadily increasing population. He alluded to many matters of historic interest, and paid a very warm tribute to the founders of Canada. He dwelt impressively upon the high place this country is destined to occupy in the empire and the world at large, and the great importance of her people being morally strong, and of high character.

He referred also to the fact that the country has developed in peace, and that its vast expenditures have been for development of resources and the betterment of the people, instead of for the purposes of war. Fitting reference was made to Queen Victoria, King Edward and the present sovereign, whose reign has opened so auspiciously, and who is so worthy to wear the crown.

In conclusion, Mr. Agar expressed his appreciation of the work of the Every Day Club, and especially commended the principles of total abstinence as a virtue that should be practised by the citizens of Canada.

FOR SKIN IRRITATION

I Guarantee Relief. Your Money Back if Not Satisfied

I have an ointment possessing extraordinary power to permanently relieve all forms of eczema, skin eruptions, pimples, blotches, ringworm, psoriasis, scaly scalp, hives, all forms of itching and irritation caused by insect bites. Its power to soothe ulcers, sores and wounds is very pronounced.

I am so positive that Rexall Eczema Ointment is unequalled for overcoming these ailments that I will not cost the user anything unless it gives relief. You must admit that I need not make such a broad claim. I can guarantee my claim. Rexall Eczema Ointment is a grayish-white, pleasant smelling, strongly germicidal. It destroys the germs that penetrate the skin and cause eczema and other tormenting skin ailments. A remedy must do that to be effective, for in no other way can such diseases be cured. Rexall Eczema Ointment is ideal for the treatment of skin irritations peculiar to children, for barber's itch, and for sore itching feet.

It is positively the best remedy I know of, and I urge you to try it at my risk. Two sizes, 50c and \$1.00.—The Rexall Store, Chas. R. Wasson, 100 King Street.
