

## REPORT OF THE LADIES' AID SOCIETY.

The Ladies' Aid Society have to report that through the divine blessing resting upon their labors, they have been enabled to continue the work assigned them—that of giving assistance to the poor of the congregation.

As will be seen by the 'Treasurers' report, the funds of the Society have been devoted entirely to that purpose.

Although there is a very good membership, it is to be regretted that there is not a better attendance at the monthly meetings, but we hope that during the current year the Society will receive more encouragement in so laudable a work.

All of which is respectfully submitted.

M. D. MACDONALD,  
Secretary.
