The report was adopted.

The matter regarding the new North East Hope parsonage was referred to the Building Committee.

Adjourned with prayer by Prof. S. L. Umbach.

Afternoon Session.

The chairman opened the afternoon session by reading from John 15: 1-16, reading from the third direction by the secretary and prayer by L. H. Wagner.

The brethren C. A. Thomas, Senior Publisher, and S. P. Spreng, editor of the Evangelical Messenger, addressed Conference; the former in the interests of our Publishing House, the latter in the interests of our periodical literature.

The committee on High Schools and Education presented its report which was adopted:

Education.

Man is a highly gifted and talented being. His God-given powers must be properly directed and developed. This training and development must be symmetrical. It will therefore not be sufficient for young people
