Martin because he had not a dress suit, and many other items of a similar nature which had no earthly connection with the subject which the hon. gentleman was supposed to be discussing, a breach of privilege. The House had to listen while all the details of Sir Wifrid Laurier's arrival in Vancouver were described, his progress through that city, arrival here, his reception of deputations at the Empress and his appearance at the garden party given by the lieutenant-governor, all to elucidate what Mr. Jardine called "the circuitous way I was introduced to Sir Wilfrid."

Martin because he had not a dress suit, and that the hon. gentieman for Esquimal tin his remarks has not called for myself or anyone else in this assembly. Mr. Speaker Eberts stated that he had made inquiries and satisfied himself as to the manner in which the document referred to had been distributed. It was a gross breach of the privileges of the House to disseminate such papers, the rules strictly laying down that no member of parliament must be assaulted or insulted because of his actions in parliament. Every member must be protected. If they JARDINE MADE PITIABLE SIGHT WASHES HIS POLITICAL LINEN IN LEGISLATURE

Political Exile

At this point Mr. Brewster again instervened. "I have refrained from interrupting the hon. gentleman," he said, "but I would call your attention, Mr. Speaker, to the fact that the hon. member for Esquimalt is abusing his privilege as a member of this House that ever took place in any British in making attacks on gentlemen who legislative body occurred to-day in cannot defend themselves on the floor, the House, when the members of the patiently so far I think it is quite tim legislature were treated to the specto call a halt when he attacks men of Senator Davis Says Rooseve tacle of the member for Esquimalt repute who have no chance to defend spreading out a long line-full of dirty themselves here."

The Speaker intimated that the mem-

ber for Esquimalt had better confin himself to the question of privilege. in many ways, and for this the House Mr. Jardine thought the Speaker might have a little patience with him Protest, dignified protest, was made by while he explained, and that the memthe member for Alberni against the ber for Alberni was a little too active member for Esquimalt being allowed in his desire to defend "these men." "I prefer that you do not go further drag in matters and persons entirely irrelevant, and Mr. Speaker Eberts without the approbation of the House," ator Jeff Davis of Arkansas to-day de held with him, but the House decided replied the Speaker, "because I think livered in the senate a spectacular sum against this and expressed the desire you are getting beyond the matter of ming up of the strenuous one's alleged to hear the whole of Mr. Jardine's privilege.'
long and involved account of his trou"Then I

"Then I appeal to the House," said Mr. Jardine. The Speaker asked whether the discussing popular elections in him Boynton pressed his point that the House cared to listen to the hon, memis blended an unquenchable thirst for senate should deliberate before for ber further, and there was a feeble power and place. Feted and almost warding the resolutions and on a vote "aye" from a few of the Conservative idolized by crowned heads while of 25 to 11, the measure was referred to of the bill, and although Champ Clark, of what might be called the older and such a recention as seldom fells to a minority leader, voted for the minority leader, voted for the minority leader, voted for the minority leader. of what might be called the older and such a reception as seldom falls to a more sedate members on that side were returning hero. But for his undying stlent. The acting-leader of the House, Attorney-General Bowser, made no bridled ambition to rule, he would have gone down in history as one of the

estion of privilege, arising out of ... Mr. Jardine continued his self-glori-greatest statesmen, esending to members of the House fication as a pugilist and followed this "But the people resented his new na a copy of the resolution adopted up by dragging in the names of wo-the Esquimalt Liberal Association, men, saying that the secretary of the speech had no bearing on this matter married to a niece of Mrs. Templeman, blow at the recent election that he had whatever.
