

[illegible]

Sir. — I communicated to the Indians of
Brim Church the contents of official
letter of 30 Sept. ~~last~~ and they
have forwarded me minutes of a
meeting of the band held on 21st
October last and copy resolutions
therein passed and signed by all
the Indians with signatures duly
witnessed. In their first com-
munication in this matter they
asked for \$600 or \$800. They now
ask for \$800 or if possible \$1000.
I think it will take nearly \$1000
to complete the building and fit
it out for all the purposes they
require. Yours obedient servant
