## NOTICE TO MARINERS.

NOTICE TO MARINERS. The automatic buoy at Blonde Rock, Seal Island, Yarmouth, which went adrift 10 days aco, was replaced Friday. 17th inst, by the government steamer Newfield. The lighthouse heretofore known as Clifton lighthouse in Chalcur Bay, in the County of Gloucester, New Brunswick, No. 479 in the Canadian list of Lights and Fog Signals, will hereafter be called Stonehaven lighthouse. This change has become necessary to pre-vent confusion, Clifton post office being some distance up the bay from the location of the lighthouse, and a new post office called Stone-haven having been established in its vicinity. This notice affects Admiralty charts Nos. 1,756 and 2,516. WM. SMITH.

WM. SMITH, WM. SMIIT, Deputy Minister of Marine and Fisheries. Department of Marine and Fisheries, Ottawa, Canada, 1st August, 1894.
