Hoard's Dairyman, in giving a cow ensus in Fond du Lac county, Wis (a district very similar in its conditions to New Brunswick), gives records of grade Shorthorn herds, one of 8 cows 4,531 lbs. milk, 204 lbs. butter per cow. One of 15 grade Shorns 4,09 ibs. milk and 176 lbs. butter. One of 15 grade Shorthorns 4,974 lbs. milk and 213 lbs. butter per cow for the year.

The highest record reported was a herd of Holsteins, which averaged 8,396 lbs. milk and \$33 lbs. butter per cow A number of herds of special dairy breeds did not make 3,000 lbs, milk not 200 lbs. butter per cow per year. The Shorthorn milk records at the World's Fair in 1893 and the Pan-Am erican exhibition in 1901 have been frequently published, and need not be repeated here. They have shown that cows of this breed can compete very breeds.

might be quoted, as, for instance, at Amherst, where in December, 1902, a pure bred Shorthorn that had been suckling two calves since August led all the cows in the test, except a freshly calved Holstein, and almost tied with her. And this year, where a Shorthorn grade that had never been developed for milk production, gave in the two days 100 lbs. milk and 4.25 lbs. butter against the next highest cow with 82 lbs, milk and 3.86 lbs. butter. As these short tests give no real re-

HOPEWELL HILL, Jan. 3.-Intensely cold weather has prevailed in this section for the past two days, with a veritable blizzard today. The thermometer ranged from 16 to 25 below zero in different parts of the county. The schools open for the new term

tomorrow, and a number of teachers left for their posts by yesterday's train. Several changes take place. At Harvey, Mr. Jones of Carleton Co. succeeds Mr. Jewett as principal, Miss Annie Deery taking the primary de-

partment in the place of Miss Mildred Milton, who takes a similar position in the Riverside school. Miss Edna Floyd, who recently had the primary department at Riverside, has taken the school at Edgett's Landing. Miss Grace McGorman, who has not been

teaching the past year, and her sister, Miss Margaret McGorman, have taken intermediate departments at Dalhousie. Miss Julia Brewster, who has been in the primary department at Albert Mines for the past two years, takes the Curryville school, and Miss Mamie Stewart that at Irishtown Road, W. Co. Mr. Stuart and Miss

Bray continue in charge of the Hopewell Hill school, Mr. Prebble and Miss Colpitts at Albert, and Mr. Edmunds and Miss Evelyn Bennett at Hopewell Cape. Chas. Hoar remains as principal at Riverside, and Miss Mildred

Foster at Albert Mines. Miss O. J. Moore returns to Sussex Corner, Miss Marion Atkinson to Lower Cape and Miss Amy Peck to Chemical Road. The school at Memel is closed for the winter.

A telephone message received last night announced the death at Sussex of Mrs. Henry Moore of Germantown, who went down on Monday to undergo a surgical operation. It is understood the patient survived the operation but a few hours. Mrs. Moore was sister of Capt. Alfred Copp of Riverside and Mrs. Cooley of this place.

Mrs. Samuel S. Calhoun of Lower Cape is seriously ill with heart trouble. Dr. J. T. Lewis of Hillsboro is attending her.

Miss Cox of Truro, representing the Viavi Co. of San Francisco, delivered a medical lecture in the I. O. G. T.

hall here last evening. Ice is making rapidly in the Petitcodiac and Shepody rivers.

BATH, Carleton Co., Jan. 4 .- A very cold wave has come upon this section, and in consequence frost is entering many of the cellars. The present winter being the initiative for the Bath village water works the cold has proved too much for the system, and the pipes leading into the tank have become completely frozen, and no water is now being supplied, greatly to the inconvenience of water takers.
