A Cough Medicine

Ayer's Cherry Pectoral is a regular cough medicine, a strong medicine, a doctor's medicine. Good for croup, whooping cough, hard coughs, desperate coughs. If your doctor endorses it for your case, take it. If not, don't take it. Never go contrary to his advice.

The dose of Ayer's Pills is small, only one at bedtime. As a rule, laxative doses are better than cathartic doses. For constipation, biliousness, dyspepsia, sick headaches, they cannot be excelled. Ask your doctor about this.

In sickness, if a certain hidden nerve goes wrong, then the organ that this nerve controls will surely fail. It may be a stomach nerve, or it may have given strength and support to the heart or kidneys. It was Dr. Shoop that first pointed to this vital truth. Dr. Shoop's Restorative was not made to dose the stomach, nor to temporarily stimulate the heart or kidneys. That old-fashioned method is all wrong. Dr. Shoop's Restorative goes directly to these failing organs. And it is indeed easy to prove. A simple five or ten days will surely tell. Try it once, and see! Sold by All Dealers.
