The Japanase orgasizing the country and every. where instructing the pesple, and these testructers act as spies in the various Euro pana eoncessions.
Kiag Peter, continuing to defy the opin tea of the civilized world, has recently confrred his new Order of Knighthood, the Star of Karageorge, upon all of the oflicers who molk part in the assassination of King Alex ander and Queen Draga. In fact, there is no of the regicides who does not wear this telees of the King's recognition of the part which he played in briaging about his Ser vims Majesty's advent to the throne.

While Willam \{cott, James Pine and Fred Smith were engeged in shovelling sawdust in the woodyard at Marysville, Friday, the pile caved in and the three young men were buried The cotton mill employes were called out and everyone worked diligently in rescuing the unfortunates. Mr. Smith sprained his wrist, was cut about the face and received a bad shaking up. Mr. Pine had one of his legs injured.
A Guthrie despatch says: Full-blood Cheorkee Indians in the rincinity of Talequah ate becoming cocaine fiends. Investigations show that druggist are dealing in this drug to a considerable extent, but what is more startling is that many persons have been going among the Indians and selling them cocaine. It is a new vice for the Indians It is alleged that the drug is being boot-legsed among the Indians in the same manner Is has whiskey for years past. The au thorities have started an official investigation.
The recent performance of the electric locomotive which the Gieneral Electric Company has built for the New York Central Railroad Compiny showed that in power and speed the bigest stearn locomotives are easily turpmotd by the new electrical machine. So far as the locomotives are concerned the pro yram of applying electricity to steam rail nay* apprars to be solved. But can the

19 the safely manipulated and traas where thrie is a maze of tracks, as in A. H yards of the Cirand Central sfation in Xnu Yofli? That rer aims to be seen.

- The Niew Yark Salvation Army people anve been hrliting a series of notable fare Tells for Commanider Booth-Tucker. On Quturday there was a special service at the tamb af Mrs Beoth Tuider in Kensico ceme (ery, and an monoment to ber memory was fead of the Army in the United States for nine years. He sailed for England on Nov amber 17 in the Oceanic, and over five hus dred Salvationists and their friends bade tim farewell at the dock. He made a pathe ic speech to his comrades.
A new type of engine has been designed for the Southern Pacific railroad, and is said to be capable of 100 to 120 miles aphours it is fireless, smokeless and waterfess. Its rubning power is obtained from a dxagg fed by an engine run by a combination of com pressed air power and fusl oil power Where in the ordinary locomotive only 2.1 per cent, of the energy produced by the boilers is transmitted to the driving wheels, the new type, it is claimed, will show 28.35 per cent, in the motors and axles. A speed of 200 to 120 miles an hour is expected, and it is said can be maintained indefinitely, as there need be tho stops for water and fuel for 3.000 miles can be carried.

The state banquet at Windsor Castle on Wednesday night in honor of King Charles and Qucen Amelie of Portugal was very brilliant. The guests, numbering 166 , in cluded members of the royal family, foreig epresentatives at the court of St. James, cabinet ministers, leaders of the opposition military and navy officials and others promnent in the high circles of Great Britain The King of Portugal, in his speech, said: " Our alliance, as Your Majesty has justly aid, is of ancient date, and I am happy to say Your Majesty will always find the same hoyalty and the same class of men as those in former times shed their blood side by side with Englishmen." King Charles concluded with an expression of sincere gratification with King Edward's efforts in the interest of peace, which had been for ths good of humanity at large and which were furthered by the treaty just signed.
