

## MEN OF 26TH HAVE ALL BEEN IDENTIFIED

Another Standard Reader Receives Card from Son in Picture who Names His Companions.

An interested reader of The Standard yesterday morning was Mrs. R. Short, who recognized her son Robert in the picture that was published of the group of original members of the "Fighting 26th." Mrs. Short received a similar picture from her soldier son, who also sent her the names of the five men in the group. They are as follows:

Standing from left to right—William Brown, St. John; Fred Powers, Moncton; Jack Crandall, Moncton.

Sitting with the dog in his lap is Robert Short, St. John, and the other soldier sitting is William Gormly of St. John.

Private Robert Short's father is a member of the 115th Battalion, and his brother is with the 140th Battalion. A letter received from his brother in England, a few days ago, stated that Robert had been killed, but up till yesterday they had received no official news in St. John, and on inquires being made to Ottawa word was received that there was no word received there of the casualty.

"Was very glad to hear from you last week I had given up hope of hearing from you, thinking letters had been stopped. I hear from Miss Tucker quite often. My wrist is healed up, but I have very little strength in the arm, and writing is awkward. I have received several inquiries about missing Canadians which I will answer. Write often, with love,
