**Semi-Ready Summer Sale of Suits and Pants.**

Golden Savings for Men who Buy Just Before the Dominion Day and the Warm Weather.

Besides the suits for small men and youths in also from 32-inch breast to 36-inch there are bargains for big men and average physique types in the Semi-Ready store at King and Germain streets.

"This Sale affords a golden saving opportunity for men who buy just before the holiday of the year," said Mr. Fraser, "for one must pay the price for the pure worsteds and fine woolsens, indeed we have suits as high as \$65 and \$60, and if the British government takes over the whole Australian wool product, as the cable despatches indicate, I look for the finest cloths to go to \$75 for a suit. We will have overcoats at that price for next Fall."

"Our company buys direct from the Wool Exchange in Bradford, and our wholesale price is admittedly \$2 to \$3 a suit less than other makers by reason of this and other economies we practice. We have done all we can to keep prices within reason, but one cannot combat the fact that cloth which formerly cost us \$2.10 a yard now costs \$2 to \$4 per yard."

"This sale coming just before mid-summer is in line with our desire to give the best service we know how to our customers," concluded Mr. Fraser.
