

The system of counting the work and attendance of the term in the annual results is adopted at Wycliffe College.

Marks will be given for regular attendance at lectures and for writing of essays, etc., through the term on the work accomplished.

Students are required, in the first place, to obtain at least thirty-three per cent. on the examinations. Their standing will then be determined by the percentage obtained on the total number of marks assigned for examinations, lecture attendance and term work. The marks will be assigned as follows :
