opposition to the best interests of the Ottawa country. It is well known that owing to Mr. Morris's intervention in the election of 1856 Mr. McDougall was defeated and Green's cotton factory, together with all man who reduced the grant of the Mechan-Phillip's factory; and all the small buildings great concern, in order that more money of cotton, sugar, molasses, &c., and a num- necessary by any one. And does Mr. Mac ber of old ears belonging to both railroads; donald really think, when he talks so hypo

road and city bridges across Pearl river, and the bridges aross Pearl river, and all the bridges and treetle work on the Cantot delete from the memory of all the Southern Railroad for several miles; is pulse carried on All the stores in the city were shorth handed, and advised by the master of the Falson to ran down to the memory of all the sacts of his public carers.

For the policy pursued by Mr. Galt, in the street and burned. The his public acree were pulliged, their contents either carried off or thrown in the street, and burned. The his poot and shoe least thrown in the street, and burned. The his poot and shoe least thrown in the street, and the pressor a the jewelry, silverware and provisions taken.

Dr. Knapp's office was broken open, his instruments carried off, and his furniture destroyed. L. Jullien's store was destroyed. J. Gray's drug store was partially destroyed, ed. Joseph Morgridge was an extensive sufferer by the vandals. H. Verden's loss in sugar, mollasses, &c., is estimated at \$200,000. D. W. Besick lost heavily in his tobacco and commission store. Allen & Legon lost all their books, paper, money and merchandise. Dr. S. C. Farrar lost his horses and mules. J. M. Rawlins lost his ties upon all these articles. We opine it matters very little to the people whether they pay the greedy contractors for the Ottawa buildings by taxes on their boots or upon their tea and sugar. But of this we are certain, that if the corruptionists had adopted the right mode of taxation proposed by Mr. Howland, the country would more speedily have awakened to a sense of their enormous extravagance. "Incidental protection" may be a very plausable excuse for raising the duties upon all imported articles. We opine it matters very little to the people whether they pay the greedy contractors for the Ottawa buildings by taxes on their boots or upon their tea and sugar. But of this we are certain, that if the corruptionists had adopted the right mode of taxation proposed by Mr. Howland, the country would more speedily have awakened to a sense of the trees they are made from the backs, which are formed from the little mutiny.—[Liverpool Mercury.
