Toronto to London Flight Made in 100 Minutes

AMERICAN AVIATOR AND WIFE
MAKE FAST TIME TO
LONDON

LONDON, April 22.—Flying with his wife in a Curtiss biplane from Toronto to Fort Wayne, Indiana, Lieut. Rosner, of the U. S. Army Aviation Service, alighted behind the Hospital for the Insane grounds yesterday afternoon at 5:40 o'clock to replenish his gasoline supply.

The distance from Toronto to London, about 120 miles, was made in 100 minutes. This included the "take off" at Toronto and some time circling over East London, looking for a place to land.

The motor licenses have brought a big revenue to the provincial government. The Dominion Government has set aside \$20,000,000 for good roads besides what the province has.

We should continue our efforts to persuade the provincial government to expend a reasonable sum of money on the purpose. The motor truck traffic in this country is only in its infancy owing to the lack of permanent good roadways.

These developed, at a greater prosperity will come to this country and to the whole country.

In conclusion I wish you every success with the show, both this year and next year. I believe that you will meet with great success and that Kitchener will be a great success.

Secretary Robertson.

When visiting the Automobile Show see the Bicycle Exhibit of the Canada Cycle and Motor Co., Ltd., of Weston, Ont., makers of the well-known C. C. M. Cleveland, Massey, Red Bird, Columbia and Perfects Bicycles. All the above lines are handled by local dealers.

"TOOTS" ON THE SHOW.

There isn't an auto exhibitor who did not make a sale yesterday.

The first sale was made by Mr. L. Sattler; it was that of a bicycle.

The comments of visitors is that the man behind the gun, Pop' Philip, must have had years of experience at auto shows. No, it is his first attempt.

Local boys supply the orchestral music.

The big men are starting to arrive.

SUCCESSFUL DANCE.

One of the most successful dances that have been held here in many years was that last evening by the Princess of Wales Chapter L.O.E. in the L.O.O.F. Hall. Over 200 people were present.

The sum of over \$200 was realized in aid of the returned soldiers' relief fund. Attendance was present from Guelph, Hamilton, Toronto, Galt, Preston Brantford and the Twin Cities.

Maritime express, from Montreal to Halifax, was derailed on the International Railway at Kent Junction, near Moncton.

Replenishes Gasoline

Lieut. Rosner purchased the plane in Toronto and at first intended to ship it through. He afterwards decided to fly the machine. When he landed here he was assisted and shown every courtesy by the local military authorities, who furnished a motor truck to carry gasoline to him.

Mrs. Rosner was enthusiastic over the trip and enjoyed every moment of it, though it was very cold at the higher altitudes. When asked if she was not somewhat afraid, she replied: "Not in the slightest."

The landing of the airplane party created great interest east of the city, many automobiles with city and country people, flocked to the scene.

Lieut. Rosner, who is of the opinion that he has relatives here, will, with Mrs. Rosner, continue their flight westward this morning, following the C. P. R. tracks.
