Household Hints.

PERFECTLY CHARMING is what the ladies say about "Lotus of the Nile" Perfume. SPONGE CAKE.—Half a pound of powdered sugar, quarter of a pound of flour, four eggs, juice of one lemon. Drop from a spoon upon buttered paper; if the mixture runs add more flour. Bake in a quick oven. WATSON'S COUGH DROPS will give instant relief to those suffering from colds, hoarseness, sore throat, etc., and are invaluable to orators and vocalists. The letters R & T. W. are stamped on each drop.

ONE EGG CAKE.—One egg, one large spoonful of butter, two cups of sugar, one small cup of milk, two and a half cups of flour, two small teaspoonfuls of baking powder, nutmeg or lemon to flavour.

CREAM PIE.—Pint of scalded milk; two eggs, half cup of flour, mixed with milk; cup of sugar, any flavour that is preferred—almond is excellent. Use cup-cake, or any light cake, slightly warm. Pour the custard over it.

PLAIN CAKES.—One and a half teaspoonfuls of sugar, one-half cup of butter, one small cup of sour milk, one teaspoonful of saleratus, flour to mix, flavour with nutmeg. Roll one half inch thick, cut in round cakes and bake quickly.

A NICE MUFFIN FOR BREAKFAST.—Two cups of oatmeal, one cup of flour, one large spoonful of butter, one large spoonful of molasses, one small teaspoonful of soda. Use milk enough to make the batter about like griddle cakes.

WHITE CUP-CAKE.—Four pounds of sugar and one of butter; beat five eggs with the sugar, put one teaspoonful of soda in a cup of sour milk; grate one nutmeg and put in it, with one teaspoonful of cinnamon. Then cream the butter and flour together, add the egg, and sugar and other ingredients; stir well and bake in a tin mould.

LEMON TABLETS.—Rub a teaspoonful of sugar in lumps over the rind of a fresh lemon so as to absorb all the essential oil; squeeze the juice of the lemon over the sugar; crush it fine with a spoon; add to it two eggs, well beaten, and two tablespoonfuls of sweet butter, beat all together, and bake in little patty pans, lined with puff paste.

PREPARING SMALL FISH.—Any kind of small fish may be prepared in the following manner. After being well washed and wiped it is put in a pan with a little butter, and sprinkled over with pepper, salt and crumbs of bread scraped from a crusty loaf, with an onion chopped small and fried in the oven twenty minutes to half an hour.

A CURE FOR DRUNKENNESS.—Opium, morphine, chloro, tobacco and kinnifed habits. The medicine may be given in tea or coffee without the knowledge of the person taking it, if so desired. Send 6 cents in stamps for book and testimonials from those who have been cured. Address M. V. Gibson, 47 Wellington Street East, Toronto, Ont.

STEWED CHICKEN.—Season and stew a chicken in a quart of water until very tender, take it out on a hot dish and keep it warm, then put into the liquor a lump of butter the size of an egg; mix a little flour and water smooth and make a thick-gravy; season well with pepper and salt, and let it come to a boil. Turn over the chicken and serve hot.

OYSTER STEW.—One pint of oysters, drain them in a colander; put liquor to scald with the same quantity of water; cut the oysters in small pieces. When the liquor is hot put in pulverized cracker mixed with milk, and then add the oysters. Boil two minutes, add a large teaspoonful of butter, a little pepper and a pint of milk. Boil one minute and serve hot.

GRAHAM GEMS.—One egg well beaten, one large coffee cup of sweet milk, one and one half teaspoonfuls of Graham flour, one half cup of superfine flour and a little salt. The latter should be of the consistency of wheat griddle cakes. Warm the pan on the top of the stove, and grease each compartment well, then fill with the batter to within a quarter of an inch of the top, and bake in a quick oven about half an hour.

CONFECTIONERY CAKE. Take one of three parts of dough, flavour with lemon, divide this into three parts, bake two of these parts in separate layers, and to the remaining third add half a cup of molasses, one cup of chopped raisins, one teaspoonful of cinnamon, one teaspoonful of lemon, one teaspoonful of ground cloves, one cup of flour; beat thoroughly, bake in a layer. Put these layers together with frosting, the fruit-cake in the centre. Frost the top.

\$500 REWARD is offered by the manufacturer of Dr. Sage's Catarrh Remedy, for a case of Chronic Nasal Catarrh which they cannot cure.

SYMPTOMS OF CATARRH. Dull, heavy headache, obstruction of the nasal passages, discharges falling from the head at the throat, sometimes profuse, watery, and acid, at others, thick, mucous, mucous, purulent, bloody and putrid; the eyes are weak, watery, and inflamed; there is ringing in the ears, deafness, hacking or coughing to clear the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a nasal twang; the breath is offensive; smell and taste are impaired; there is a sensation of dizziness, with mental depression, a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands of cases annually, without manifesting half of the above symptoms, result in consumption, and end in the grave. No disease is so common, more deceptive and dangerous, or less understood by physicians. By its mild, soothing, and healing properties, Dr. Sage's Catarrh Remedy cures the worst cases of Catarrh, "cold in the head," Coryza, and Catarrhal Headache. Sold by druggists everywhere; 60 cents.

"Untold Agony from Catarrh." Prof. W. HAUSNER, the famous mesmerist, of Ithaca, N. Y., writes: "Some ten years ago I suffered untold agony from chronic nasal catarrh. My family physician gave me up as incurable, and said I must die. My case was such a bad one, that every day, towards sunset, my voice would become so hoarse I could barely speak above a whisper. In the morning my coughing and clearing of my throat would almost strangle me. By the use of Dr. Sage's Catarrh Remedy, in three months, I was a well man, and the cure has been permanent."

"Constantly Hawking and Spitting." THOMAS J. RUSHING, Esq., 202 Pine Street, St. Louis, Mo., writes: "I was a great sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe through the nostrils. I thought nothing could be done for me. Luckily, I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only sure remedy for catarrh now manufactured, and one has only to give it a fair trial to experience astounding results and a permanent cure."

Three Bottles Cure Catarrh. ELI ROBINSON, Ruman P. O., Columbia Co., Pa., says: "My daughter had catarrh when she was five years old, very badly. I saw Dr. Sage's Catarrh Remedy advertised, and procured a bottle for her, and soon saw that it helped her; a third bottle effected a permanent cure. She is now eighteen years old and sound and hearty."
