

PARAGRAPHIC.

FROM ENGLAND'S

Distant shores comes additional testimony as to the wonderful merit of the only sure pop corn cure—Putnam's Painless Corn Extractor. "Office of the Chemist and Druggist, 42 Cannon street, London, Eng. A friend travelling in the States and Canada used Putnam's Corn Extractor, and within a few days the corns vanished and I now ask you to send me a few bottles—S. Brett." After referring the letter to our English Agent, we received intimation that Mr. Brett had ordered three dozen for distribution among his friends. See that you get the genuine Putnam's Corn Extractor. Beware of imitations and substitutes.

Beware what you say of others, because you only reveal yourself thereby. A man does not think to look behind the door unless he has some time stood there himself.

CAUTION.—Beware of any man who offers you an imitation article, no matter what it is, and says it is "just as good as the genuine"; "they sell all kinds of sham remedies" in this way upon the reputation of the Pain-Killer—be sure and get the genuine made by Perry Davis.

S. E. BURWELL, of Fingall, Ont., writes:—Last autumn I was suffering from a severe cold which settled on my lungs and produced a distressing cough for which I gave trial to a number of Cough medicines, but without any profit. I at last tried one bottle of Allen's Lung Balsam, which I am happy to be able to state gave almost immediate relief, and performed a perfect cure in a short time.

Putner's Emulsion.

CONSTITUTIONAL CATARRH CURED.

I have had occasion during the past two years to use, in my family, the medicine generally known as "PUTNER'S EMULSION OF COD LIVER OIL, &c."

Our baby up to the age of four months was so ill and emaciated with constitutional catarrh, as to give no hopes of her recovery, at which time we began to administer the Emulsion, and continued with small doses for a year. She is now two years old, quite active and vigorous, talks and runs, has cut most of her teeth, had the measles, and is cured of Catarrh.

Other members, old and young, of the family, have taken the medicine for different diseases, and it has done good in every instance.

I consider it effective for the cure of coughs, general debility, and any disease that can be cured by building up the system.

I have freely recommended its use; and its beneficial effects have been reported to me by many of my acquaintances who have been induced to give it a trial.

I consider it as far in advance of pure Cod Liver Oil, as the "Oil," years ago was in advance of the old method of treating Consumption. Yours truly,

J. PARSONS,

Attorney and Barrister.
