

An Act to confirm and establish a certain portion of the original Survey of the Township of Niagara.

WHEREAS the Municipal Council of the Township of Niagara, Preamble.
 in the County of Lincoln, have by their Petition represented,
 that in the original Survey of the said Township, made by Augustus
 Jones, Esquire, Deputy Provincial Surveyor, the said Surveyor
 5 commenced at the East and West line at the Town of Niagara, and
 ran along the River to the Township of Stamford, leaving an allow-
 ance for Road between every second Lot, and that many of the said
 roads are now opened and used in accordance with the original Sur-
 vey, but that notwithstanding the said Survey, it happened at the
 10 time the Letters Patent from the Crown for the land in the said
 Township were issued, that the Lots were numbered from the said
 Township of Stamford to the West Line of the said Township of
 Niagara, the effect of which would be to establish the road allow-
 15 ance between other Lots, than those between which they were estab-
 lished by the original Survey; And whereas the said Municipal
 Council have prayed that the said allowances as originally surveyed
 from the said East and West Line, to the Queenston and Grimsby
 Macadamized Road, lying between Lots Nos. Three and Four
 in the first Concession of the said Township of Niagara may be
 20 confirmed, and it is expedient to grant the same; Be it therefore
 enacted, &c.

That the said allowances for roads as laid out and established by
 the said original Survey shall be, and the same are hereby declared
 to be the true and unalterable allowances for roads between the
 25 said East and West Line to the said Queenston and Grimsby Mac-
 adamized Road in the said Township of Niagara, anything in any
 Letters Patent to the contrary notwithstanding.

Allowances
 for Roads con-
 firmed accord-
 ing to original
 Survey.

II. And be it enacted, That it shall be the duty of the said Muni-
 cipal Council for the said Township of Niagara, within six months
 30 from and after the passing of this Act, to cause permanent stone
 monuments to be planted under the direction of a Deputy Provincial
 Surveyor at the several angles of the several alternate Lots between
 the said East and West Line and the said Queenston and Grimsby
 Macadamized Road, at the points of intersection of the said Lots
 35 with the Road allowances of the said Township so established as

 ries to be
 placed at the

 lots adjoining
 the said allow-
 ances for
