(Cont'd from page 8)

On Thursday, July 8, from 11.15 a.m. to 12.15 noon, the Summer Fun Series of CFTO-TV Channel 9 in Toronto will present a preview of summer programmes which are sponsored by the Township of Toronto Recreation and Parks Department. Many of the activities available to the youngsters and adults in this area will be shown on film or slides. These programmes include playgrounds, day camps, senior citizens, tennis, canoeing and water safety, rowing, swimming pools and beaches and wading pools, soccer, track and field, baseball, softball, golf, rifle clubs, anglers and hunters, field hockey and lacrosse. In addition, there will be a series of slides indicating some of the facilities available in the Township of Toronto Parks.

**Recipe**

(Cont'd from page 8)

2 tsp. allspice  
2 tsp. salt  
1 1/2 cups chopped raisins  
1 cup milk  
Cream butter and sugar. Sift flour with baking powder, spices and salt and add half to first mixture. Add raisins, milk, and last of all remaining flour mixture. Bake in oiled and lined pan in slow oven at 300 degrees F. for 40 minutes. Sour milk may be used instead of sweet milk by substituting 1 teaspoon of baking soda for baking powder. Frost with maple icing.

**Advice** (Cont'd from page 8)

But this alone will not make others interested. A good idea would be to employ your sensitivity along the lines of interests which you may share with others. When you are sincerely interested in sharing your pleasures with another then you will find the companionship and friends you so desire.  
Sincerely, Betty Mississauga

In ancient Greece, small pieces of bread were used in place of napkins. They were disposed of by throwing them on the floor for the dogs to eat.
