With regard to the purchase of  
land for the Indians, please do  
not close the arrangement with  
Mr Sproule for the present  
It might suit better to buy <sup>two pieces</sup>  
land one part wooded & the  
other <sup>more</sup> adapted for farming.  
I do not think there is much <sup>more</sup>  
wood on Sproule's property  
what the Indians say be true &  
it is poor land for farming.  
I will investigate the matter  
thoroughly

Yours truly

J. D. McLeod
