Dr. Marshall B. Dean,  
Ross & Donald Sts,  
Fort William, Ont.

Dear Sir,-

I have devoted some study to your somewhat cryptic note regarding Mr. Meighen's speech. I gather that you disagree with our point of view, as of course you are entitled to do. I can only assure you that it is honestly held and really heartfelt.

Sincerely yours,

W. L. McTavish.

WLM/SPS.
