

administration of the "Greater Berlin" area. Each of the Commandants will serve in rotation, in the position of Chief Commandant as head of the Inter-Allied Governing Authority;

- (b) A Technical Staff, consisting of personnel of each of the three Powers, will be established under the Inter-Allied Governing Authority, and will be organised to serve the purpose of supervising and controlling the activities of the local organs of "Greater Berlin" which are responsible for its municipal services;
- (c) The Inter-Allied Governing Authority will operate under the general direction of the Control Council and will receive orders through the Coordinating Committee.

8. The necessary consultation with the Governments of other United Nations chiefly interested will be ensured by the appointment by such Governments of military missions (which may include civilian members) to the Control Council having access, through the appropriate channels, to the organs of control.

9. United Nations' organisations which may be admitted to operate in Germany will, in respect of their activities in Germany, be subordinate to the Allied control machinery and answerable to it. They will have access, through the appropriate channels, to the organs of control.

10. The Allied organs for the control and administration of Germany outlined above will operate during the first period of the occupation of Germany immediately following surrender, that is, the period when Germany is carrying out the basic requirements of unconditional surrender.

11. The question of the Allied organs required for carrying out the functions of control and administration in Germany in the second period will be the subject of a separate agreement between the Governments of the United Kingdom, the United States of America and the Union of Soviet Socialist Republics.
