Sir,

I have the honor to inform you that a Cheque for the sum of \$10.<sup>00</sup> has been sent to the Bank of Montreal here in payment of Voucher No. 11522 received under cover of your letter of the 21st. ultimo.

I will thank you to report the special circumstances which led to the issue of the Voucher, as the Department does not wish to have such a practice, under ordinary circumstances, considered legitimate.

I have the honor to be Sir  
Your obedient servant.
