MY FRIEND  
THE CHAUFFEUR

**A**N automobile romance that rushes all the way through on the third speed.

From the start in the Riviera to the finish among the mountains of Montenegro, there is no let up in the entertainment and excitement which this book affords. There are adventures without number on the open road, delightful descriptions of scenery in Italy and Dalmatia, and a triple love story deliciously blending sentiment and comedy.

"It is airy, jolly, refreshing, wholesome, full of adventure, movement, fun and good spirits, sunshine and fresh air." *N. Y. Mail.*
