MR. E. F. B. JOHNSON, K.C., of Toronto, in the *Toronto Globe*: "To my mind the coming great city of the West is Vancouver. Broadly speaking, the reason is that it will be a terminus of four great railway connections—the Grand Trunk Pacific, the Canadian Northern, the Hill combination from the South, and the present Canadian Pacific Railway. Add to this the tremendous natural resources of the Province and the large Oriental trade, and I see no reason why Vancouver should not be the largest city in the Dominion. I believe it will. I saw more evidence of substantial building in the shape of warehouses and factories in Vancouver than in all the other places put together."
