TOWNSEND, January 23, 1857.

I hereby certify that I have been afflicted for four years past, with a pain in my side and chest, and shortness of breath, loss of appetite and general debility. My son was similarly afflicted. I was advised to try Mrs. Lewis's Syrup, which I am happy to say, made a perfect cure of myself and son. I have made use of her Syrup, Cough Syrup, Liver Complaint Syrup and Bitters, for three years, and in no case have I ever found them to fail. My wife has also made use of Mrs. Lewis's Summer Complaint Syrup for both herself and children, in several cases of Diarrhoea and Summer Complaint, it has never failed to give general satisfaction.

GEORGE CLOUS.

TOWNSEND, March 2nd, 1857.

This is to certify, that having used Mrs. Lewis's Cough and Liver Complaint Medicines in my family, I have found it the most speedy and most effectual remedy for Cough, Colds, Phthisis, and all such diseases as children are most subject to, that I have ever used, and feel it due to Mrs. Lewis to give her my testimony in favor of its great utility.
