\*The minutes of the Halifax Council for the 28th of July, 1755, (the day on which it was decided to deport the Acadians) are endorsed as follows :

Nova Scotia—Minutes of His Majesty's Council at Halifax between the 28th July and 7th October, 1755.

Recd. with Lieut. Govr. Lawrence's Letter ye 18th Oct. 1755.

Recd. November ye 20th 1755.

From this it becomes apparent that, as the deportation was chiefly carried out in the months of October and November, the Board of Trade and Plantations, representing His Majesty's Home Government, were not informed of the intention until it was too late to prevent its being executed.
