

Women's Baptist Foreign Missionary Society of Ontario W.

OUR OBJECTIVE 1917-18.

I. Our Regular Work.

(a) Regular work, consisting of the support of 15 Missionaries and the work on seven of their fields; also a \$500 grant to general work in Bolivia.

(b) *New this year*:—An extra class in Samalkot School \$500; School work in Bolivia (under Miss Morton and Mrs. Wilkinson) \$200.

II. An advance we should make.

Two new Missionaries are waiting to go to India in October, 1919. If these are to be appointed this year, at least part of their passage money must be in hand before the Convention year closes.

III. Miss Baskerville's School.

A friend of Miss Simpson has promised to erect as a "Memorial" a new Caste Girls' School on the land purchased last year at Cocanada. We are asked to raise sufficient money this year to prepare the ground for this new building.
