VARSIITY VS. WELLINGTONS

A Swift Game at the Mutual Street Rink.

SCORE 11 TO 3 AGAINST VARSITY.

A large crowd of Varsity and Wellington supporters assembled at the Mutual street rink on Saturday night to witness the game between their respective teams. The ice was good, considering the weather, and the game was fast, the score of 11 to 3 being a true representation of the respective merits of the teams.

It was not expected that the Varsity team would win out in their first game, as they have been laboring under great disadvantages. The team never played together before, as the men only got back from vacation last week, and the weather has prevented any chance of practice together. The accident which laid off Willie Evans the day before the game caused Varsity stock to drop considerably, as he is one of their best defence men. It is not probable that he will play next Saturday night, but a week from Saturday will find him in the game again. The Wellingtons won because they were in a better condition and could shoot better. This is the weak point of the Varsity forwards—they are poor shooters. As far as combinations and team playing are concerned Varsity has the advantage, and with more practice in shooting will give the Wellingtons all they want.

In spite of the fact that the score was against them, the men who wore the blue and white played for all that was in them, until the whistle sounded for time, and comments were heard on every side upon their pluck and perseverance, while the spectators' interest in the game never lagged from start to finish.

Pardoe played a very good game in goal, and stopped several hard shots. MacLaren at point showed up well, and when in better condition will make a valuable addition to the team. Doc Wright at cover played his usual heady game, and spoiled several of the Wellingtons' rushes. Fred Broder, who was elected captain before the game, played like a Trojan, and kept his men well together, while Gibson, the fast little forward, was in evidence all the time, scoring the three goals for Varsity. Bert Wood did not do himself justice owing to a lack of confidence, which prevented him playing an aggressive game. Gilbert, the big forward, did not manifest the vim and energy one would expect from a man of his calibre, being apparently rather lazy. The lack of "ginger" is the only weakness in his playing. Lionel King made a very satisfactory referee.

The first goal was scored by Varsity about two minutes after the play began. At the end of the first half the score stood 6 to 2 in favor of the Wellingtons. The end of the game showed 11 to 3 against the blue and white.

The teams were:
Varsity—Goal, Pardoe; point, MacLaren; cover-point, Wright; forwards, Wood, Gibson, Broder, Gilbert.
Wellingtons—Goal, Bliton; point, Smart; cover-point, Ardagh; forwards, Warden, McKay, Chadwick, Hill.
Referee—Lionel King.

There is plenty of good material around Varsity, and plenty of chance for every man who is any good, as there are three teams, the senior, junior, and intermediate, and the affable and energetic manager, Allan Macge, will see that every man has a show according to his merits.

The next game in the senior series is with the St. George's team on Saturday, the 18th, at the Mutual street rink. The first intermediate game is with Parkdale this week at Mutual street, while the first junior game is with Hamilton at Hamilton.

UNIVERSITY OF TORONTO.

Results of Supplemental Examinations in Arts Announced.

At a meeting of the Senate of the University, held Friday night, the results of the recent supplemental examinations in arts were announced.

BACHELORS OF ART.

The following students have completed the work of the fourth year, and are eligible for admission to the Degree of Bachelor of Arts: R. A. Fahey, B. A. Kinder, W. J. Mortimore, G. A. McPherson, W. E. Stafford.
THIRD YEAR.
The following have completed the examinations of the third year: D. G. Campbell, P. B. Dobson, W. H. Ingram, A. A. Magee, J. MacLean, G. A. McPherson, Miss M. M. Phillips.
J. H. Fowler is required to pass a supplemental examination in modern history before completing the third year.
Miss Peers is required to pass a supplemental examination in ethics before completing the third year.

SECOND YEAR.

The following have completed the examination of the second year: W. L. Allison, M. N. E. Bowles, Miss L. M. Brails, Miss F. E. Brown, G. W. Carter, A. L. Chipman, C. E. Clarke, J. N. Clarry, A. G. Doldge, J. G. Gibson, W. N. Sexsmith, D. A. Walker.
A. E. Honeywell is required to pass a supplemental examination in Greek, and Miss A. L. Ward in Latin, before completing the second year.

FIRST YEAR.

The following have completed the first examination: J. J. Creelman, T. A. Fawcett, J. E. Featherstone, J. N. Clarry, E. A. McIntyre, J. M. Moore, Miss E. L. E. Peers, A. D. Wilson.
The following are required to pass supplemental examinations before completing the first year: Latin—W. A. Ault; German—J. B. Paulin; Ancient History—Miss M. N. Filshie; Biology—

ASSOCIATION LEAGUE

Annual Meeting of the Intercollegiate Association League.

Extended Powers of the Protests Committee.

On December 13 the annual meeting of the Intercollegiate Association Football League was held in the gymnasium, and was fairly well attended. President Armstrong occupied the chair, and after the adoption of the secretary-treasurer's report, a good deal of business was transacted.

The constitution was amended to allow Queen's University and the Royal Military College to form a section of the league at Kingston if they so desired. The powers of the Protests Committee were extended. Formerly they could merely say whether a protest was sustained or not, now they can fix a penalty according to the offence committed. This is a commendable change in the constitution and one which has been needed for some time.

The rules regarding ineligible players were made more rigid, and there will now be no further chance of playing a match over again in the case of ineligible players having taken part in the protested game. The association put itself on record as being in favor of giving a cup to be competed for by the teams of the various public schools of the city. The election of officers resulted as follows:

Honorary President—Professor McCurdy.
President—Harvey Graham, B.A.
Vice-President—E. F. Burton, B.A.
Secretary-Treasurer—Ralph DeLury.
The past season's record speaks well for the Association League and its officers, and the fact that there is a hard some surplus in the treasury is a tribute to their financial abilities and also a proof of the increasing interest in Association football. Last season the Arts team won out in the senior series after a hard final game with McMaster, and then played the Galt team for the championship of Ontario, losing by one goal only. The intermediate series was won by the Dental team, by a score of 2 to 0. In the final game, it was a matter of regret to both Varsity and Queen's that the latter, on account of some misunderstandings and conflicting matches, were unable to arrange a game here with Varsity last fall. However, it is hoped that next season nothing will intervene to prevent the meeting of the two teams.

THE '02 YEAR-BOOK.

The Committee of Torontonensis wish to announce that they expect to have copies on sale by the end of the month. Subscribers are advised to procure copies early, as the number is limited and the demand will be large.

HARMONIC CLUB TOUR

The Men Will Go East This Time—Good Prospects Ahead.

Club Concert on Jan. 21st.

The Tour of the Harmonic Club.

The arrangements for the tour of the Harmonic Club were completed during the holidays, and an enjoyable trip is assured. The tour will include Peterboro, Lindsay, and Ottawa, and will be of three days' duration. The Canadian Pacific Railway is dealing most munificently with the club, and has guaranteed to supply an elegant special car for the whole journey. The "chosen few" will travel by C.P.R. to Peterboro, by Grand Trunk to Lindsay and back to Peterboro, and then to Ottawa and home again by C.P.R.

In Peterboro the touring members of the club will be the guests of a committee of graduates and their friends. In Lindsay the Literary Society of the Collegiate Institute is to take care of them, and the Bank Street Presbyterian Church in Ottawa.

The Varsity musical clubs are always well received in Peterboro, and in Lindsay the whole town seems to be enthusiastic. It is said that a regular ovation awaits the Varsity boys in Ottawa. In fact, the members of the Dominion Parliament are looking forward to the visit of the Harmonic Club as a pleasant break in the arduous duties of the session.

About thirty-five men in all will be taken from the Glee Club, the Banjo, Mandolin, and Guitar Club, and the orchestra. There is little doubt that, considering the excellence of their training and the fine quality of the voices, the boys will be one of the very best of our Alma Mater.

Every singer and player is expected to perform at the city concert, which takes place the night before the club leaves on the tour. The men to go on the tour will be chosen partly on account of their assistance at the city concert. The orchestra will be represented by a quintette or a sextette.

Glee Club practices will be held on Monday, Wednesday, and Friday of this week, and on Monday and Tuesday of next week. All who hope to go on the tour must attend every practice.

The following is the itinerary of the tour:

Tuesday, January 21—City concert at Pavilion; tickets 50c and 25c. Don't make any other engagement.
Wednesday, January 22—Leave Toronto 5 p.m., by C.P.R. special car. Arrive Peterboro 7:29 p.m. Concert at Peterboro 8 p.m. Sleep at Peterboro.
Thursday, January 23—Leave Peterboro, G.T.R., 5:35 a.m. Arrive Lindsay 6:23 p.m. Concert at Lindsay 8 p.m. Sleep at Lindsay.
Friday, January 24—Leave Lindsay by G.T.R. 10:53 a.m. Arrive Peterboro 11:45 a.m. Leave Peterboro 12 noon for Ottawa. Arrive Ottawa 5:35 p.m. Concert at Ottawa 8 p.m. Sleep at Ottawa.
Saturday, January 25—See the sights in Ottawa, and leave for home either at 11 a.m. or 11 p.m., or any old time until Monday. C. L. W.

ANNUAL CONCERT OF THE VARSITY MUSICAL CLUB.

Until the opening of the new year the members of the Harmonic Club and its various departments have returned to their work with increased vigor and energy, and are rapidly getting into shape for the annual concert, which will be held in the Horticultural Gardens next Tuesday evening at 8 o'clock. Besides the selections by the Glee Club, Banjo and Mandolin Clubs, there will be instrumental numbers, solos by Mr. Smedley and Mr. Clarke of 1901, and selections by a new male quartette, Mr. H. N. Shaw, B.A., and Mr. H. B. Phippy of 1901 will complete the unusually attractive program.

Students turn out enthusiastically to Rugby matches and support the club matches most conscientiously. When there were only 19 at the last Harmonic Club concert, such a condition of affairs is most disgraceful, and when the tickets are only 25 cents the student body should be well represented in the audience at the gardens next Tuesday evening.

THE PRODIGY.

Well, how it happened I don't know,
But happen sure it did,
And there was wonder at the Hall,
Such kind as can't be had,
And great the clamor in the street,
The village folk were wild,
To think such deed could ever be done,
By one such little child.
The Mayor was at a dead stand-still,
That most progressive Mayor,
And all he did in this grave time
Was groan in his despair.
The Council, bold and wise away,
They, too, were all non-plussed,
And those who didn't go to church
They sat them down and cursed.
And some who were not given to words
They smoked their pipes and mused,
And those who were long-headed called
Said naught to them that boozed.
The gossips had to have their say,
They faced all were heaven,
They hinted 'twas the devil's work,
And whispered from that on.
The chubby, curly-headed boys,
By this strange unwarped awe,
Would gaze into a parent's face
With hanging underjaw.
The hamlets that are grouped hard by
To this aethetic town,
Could feel the rays of unkind shocks,
Their backbones up and down.
Some swore it took them as an itch,
Upon their greatest toe,
While other folks' experience
Was aium taste in dough.
Some felt the shock a pleasant way,
This strange, unheard-of shock,
They swore to me upon their oaths,
Their wives forgot to talk.
Oh! wonder walked the streets that day,
And terror filled the night,
When that sweet child so young and fair,
Spelt Massachusetts right!
CRAB-APPLE.

VENUS THROWS SHADOWS.

This is the First Time the Phenomenon Has Ever Been Observed.
Nice, France, Jan. 13.—M. Giacobini, the chief astronomer of the Nice Observatory, reports that at seven o'clock yesterday evening, after moonset, the brilliancy of Venus was so intense as to cast shadows on the walls. This is the first time this phenomenon has been observed.

ALL-CANADIANS BEAT QUEEN'S.

Kingston Collegians Whitewashed in the Final Game of the Tour at Pittsburg.

Pittsburg, Jan. 12.—The Queen's University hockeyists of Kingston received the second defeat ever sustained in the United States by a score of 3 to 0 Saturday evening at Duquesne Garden by the Keystone.

During the first half most of the play was on the Canadian ice, and the Keystone had the best of it, with a score of 1 to 0. Horn and Peel were not played on account of their standing with the Ontario Hockey Association, and trouble likely to ensue. If Queen's played against them. The first score was made by Sixsmith 15 minutes after start of play. Both scores in the second half were due to individual work by Morrison. The teams: Queens—(9)—Mills, goal; Weatherhead, point; McDowell, cover-point; Knight, Merrill, Dalton, Wilson, forwards.
Keystones—(5)—Young, goal; Morphy, point; Bisch, cover-point; Sixsmith, Morrison, Westcott, Clems, forwards.
Referee—Mr. R. Grant Fitzgibbon of Toronto. Goal Judges—Messrs. Swinerton and Garrett.

The winners were an all-Canadian team. Mike Young, in goal, is an old Toronto Lacrosse League player, and was last year with Port Hope. Morphy played point for the Dominion Bank team last season, and Bisch is the well-known St. George cover-point. Bert Morrison acquired his knowledge of the game at U.C.A., Clems hails from Parkdale and Sixsmith from Ottawa. All but Clems are this year's importations.

MANUAL TRAINING FOR WOMEN.

Prof. Robertson Advocates it Before the Students of Moulton Ladies' College.

Professor J. W. Robertson, Dominion Commissioner of Agriculture, lectured to the students and friends of Moulton Ladies' College, Friday night. In the course of his remarks the professor criticized the "book learning" methods of education, and advocated manual training as the best method of developing body, mind and spirit. It was not intended to make good artisans or domestic servants, but better and more healthy men and women. Certain parts of the brain of a person not so developed decay, resulting in disease through life, and straining on the piano is not sufficient.
Adults may profit from books, but the young are better off without them; they destroy the power of individual imitation of nature. The problems of life are more like those met with in analyzing or handling a runaway team than anything ever met in Euclid. The object is to get in touch with nature. He had no sympathy with smart society, which regarded the forms of life and looked the power to do anything useful. The object of life is to make good homes in which people can live good lives. In ten years Canadians would see half the time of the pupils given to manual training.

Y. M. C. A. NOTES.

The Bible classes resumed work last Sunday morning. Quite a number of men are availing themselves of the privilege of these classes, but there is room for still more to attend.
The annual reception for members of the Y.M.C.A. and Y.W.C.A. will be held in the Association building on Wednesday evening, January 15, at 8 p.m.
