# BOYS!

Get New Subscribers for  
"The Farmer's Advocate and  
Home Magazine" and Make  
Lots of Pocket Money!

Everything you would like to own, you can buy with the money you earn getting new subscriptions for this journal; and the work can be done in spare hours or evenings.

SEE the boy! What is he doing? Writing cheques. Why does he write cheques? To pay for things he has bought. What did he buy? A talking machine, a camera, a shotgun, a typewriter, a bicycle and other things.

How is it his cheques are good? Because he has put the money in the bank, and when he wants to draw some out or pay a bill, he just needs to write a cheque and sign it. Where did he get the money? He went around taking subscriptions for The Farmer's Advocate and Home Magazine and made a profit for himself on each new subscriber he got. Then when he had got ten, they sent him a special cash prize as a reward and to encourage him.

Are there any possible subscribers where you live? Certainly there are, and the paper is such a good one and such a help to any farmer that he will be glad you introduced it to him. Why not take up this work for us in your spare time? Girls are earning pocket money in this way, too.

If you are willing to work sincerely, fill in and send the coupon below, NOW.
