if given half a show. Very often they have the least attention and care of any of the animals on the farm, but the man that makes the most money out of them is the one that gives thought, care and attention to their wants and comforts,

as it aids digestion and enables them to thoroughly digest and assimilate their food, and it is the assimilated food that makes the money.

Mr. Donald McDougal, Harriston, Ont., says: "I had six runt pigs to which I fed your Food, and now they are as good as any pigs I have."

We can give you many more such testimonials, but this one, we think, will suffice to show what can be done with Clydesdale Stock Food. As it is sold under a positive guarantee of satisfaction, it will cost you nothing to try, if you are not satisfied. Ask our dealer in your town what our guarantee means.

**HOW I CURE WEAK, PUNY MEN**

Give me a man broken down by dissipation, hard work, or worry, from any cause which has sapped his vitality. Let him follow my advice for three months and I will make him as vigorous in every respect as any man of his age. I will not promise to make a Hercules of a man who was never intended by nature to be strong and sturdy. Even that man I can make better than he is; but the man who has been strong and has lost his strength I can make as good as he ever was.

I can give back to any man what he has lost by abuse of the laws of nature. A man who is nervous, whose brain and body are weak, who sleeps badly, awakes more tired than when he went to bed, who is easily discouraged, inclined to brood over imaginary troubles, who has lost ambition and energy to tackle hard problems, lacks the animal electricity which the Dr. McLaughlin Electric Belt supplies.

The whole force of vitality in your body is dependent upon your animal electricity. When you lose that in any manner my Belt will replace it, and will cure you.

"My rupture is entirely gone."

WM. E. GOOD, Indian Head, Assa.

Letters like that tell a story which means a good deal to a sufferer. They are a beacon light to the man who has become discouraged from useless doctoring. I get such letters every day.

My Belt has a wonderful influence upon tired, weak nerves. It braces and invigorates them and stirs up a great force of energy in a man.

I make the best electric body appliance in the world, having devoted twenty years to perfecting it. I know my trade. My cures, after everything else has failed, are my best arguments.

"Your Belt cured me of weak back and indigestion."

ERNEST R. SANDERSON, Bresaylor, Sask.

They come every day from everywhere. There is not a town or hamlet in the country which has not cures by Dr. McLaughlin's Electric Belt.

It's as good for women as for men. Worth while you sleep, it causes no troubling. You feel the gentle, glowing heat from it constantly, but no sting, no burning, as in old style belts.

Call to-day or send for my beautiful book, full of the things a man likes to read if he wants to be a strong man. I send it sealed free. My Belts are not sold in drug stores.
