## IT TAKES TIME

to get into a safe. Burglars can't take chances on interruption.

And interruption is certain if you have Central Station Signal Service. They cannot enter the vault or touch your safe without sending in an alarm which brings a special officer to the scene, post-haste.

If you employ a night watchman too, it forces him to report every hour from every part of the building and gives him a ready means to call assistance in any emergency.

No matter what is wrong we know it quickly—and take the proper measures in time to save heavy loss.

It will pay you to learn more about this service by asking our nearest Office for Bulletin
