— August 2nd, 1851.

To Professor Holloway, To Professor Holloway.

Sir.—I desire to bear testimony to the good effects of Holloway's Pilis. For some years I suffered severely from a psin and tightness in the stomach, which was also accompanied by a shortness of breath, that prevented me from walking about. I am 84 years of age, and notwithstanding my advanced state of tile, these Pilis have so relieved me, that I am desirous that others should be made acquisited with their virtues. I am now rendered, by their means, comparatively active, and can take exercises without inconvenience or pain, which I could not do before.

New South Wates, dated February 25th, 1851.

Sir,—A Mr. Thomas Clark, a Seitler at Lake George, was for a considerable time seriously afflicted with a complaint of the Liver, togother with the Gravel. His medical attendents, after trying all their skill, candidly told him that his case was hopeless, and any further efforta useless. In this attention, and when expecting every day would terminate his existence, a friend recommended him to try Holloway's Pill's and as a toriorn hope he did so, the first dose gave him considerable relief, be therefore persevered in taking them according to the directions, and is now restored to perfect health. He will feel great pleasure in confirming this statement, or even make an affidavit to the same effect, should it berequired.
