DINEENS' Ladies' Fine Seal AND OTHER FURS.

It is impossible to describe the high quality of the furs in our fur garments beyond stating that it is the very choicest. Yet the best idea is had of the quality by examining it. It is equally difficult to describe the styles, because we have them all in all fur garments of every description, and these styles are the very latest. Then how shall we describe the matchless and fashionable fit of our garments when purchasers invariably sum it all up in the one word, "Perfect"? Last, our prices. We claim they are the lowest. It's so easy to prove this that we ask the ladies who have been making inquiries elsewhere to obtain our very low prices before they make a selection.
