BUILD NOW. DON'T DELAY

FARMERS, you can now better afford to do your building than ever before, as our prices on lumber are lower than charged you by the Retail Dealers before the war, while prices on all farm produce are fetching top prices. We can save you from \$5.00 to \$12.00 per 1000 feet. Read what our customers say.

Emmanuel G. L. Irvine, Alta., writes: "The lumber you shipped me suits me just fine, and I am highly satisfied. I saved from \$10.00 to \$12.00 per 1000 feet by buying from you and received much better lumber. I wish to thank you for your prompt service."

Doris L. Wilson, Carleton Place, Ont. (Cable Order), writes: "We were well pleased with the lumber you shipped us in C.P. 143042, and saved at least \$200.00 on the job. The price they charge here is \$5.00 to \$10.00 per 1000 feet more than that we paid you. The way the lumber was put up in the car was just fine, and we had out the least bit of trouble in keeping the orders separate. The shipment arrived in splendid time."

Why pay middlemen's profits when you can buy the highest quality lumber, shingles, lath, doors, windows, etc., direct from us at first cost prices? We make a specialty of club orders, add mark and volume each order so there is no confusion. We allow inspection before payment. FARMERS, CONTRACTORS, SECRETARIES, write for our terms and prices delivered/brought paid, to your nearest station. Place your order with us, we can give you prompt shipment.

With Fingers! Corns Lift Out

Apply a few drops then lift corns or calluses off—no pain

For a few cents you can get a small bottle of the magic drug freezone recently discovered by a Cincinnati man.

Just ask at any drug store for a small bottle of freezone. Apply a few

drops upon a tender, aching corn and instantly, yes immediately, all soreness disappears and shortly you will find the corn so loose that you lift it out, root and all, with the fingers.

Just think! Not one bit of pain before applying freezone or afterwards. It doesn't even irritate the surrounding skin.

Hard corns, soft corns or corns between the toes, also hardened calluses on bottom of feet just seem to shrivel up and fall off without hurting a particle. It is almost magical. Your drug store has freezone.
