Columbia Grafonola and Columbia Records

The Merry Lilt of the Dance

Let it be heard often in the home. It chases gloom, it makes for joy—inspiration—courage. And of all instruments the Grafonola is the greatest exponent of dance music with its mellow purity of tone and its instant readiness to provide music that "won't let your feet keep still."

The electric Grafonola shown above requires no winding, the electric motor is part of the instrument—just attach the cord to a lamp socket. Here is the very height of convenience.

Thousands of homes will delight in a Grafonola this Christmas. Why not yours too? See your Columbia dealer—before the Christmas buying depletes the stocks.

Grafonolas are priced from \$24 to \$300—every instrument in tone and design is a masterly exposition of Columbia leadership. Easy terms arranged.
