Forest is the best Medical School!

That predisposition which exposes the human Frame to the infection and virulence of all diseases, arises directly or indirectly, from a disordered state of the Stomach, and Digestive Organs, and the consequent vitiating of the Blood.

They are the result of many years' study and experience, and are offered to the public as a medicine of sterling worth and integrity, in almost every part of the country have testified to the world in favour of their great efficacy in curing diseases.

Testimonials of the most unbiased character, of the great powers of curing in almost every class of diseases have been tendered to us by individuals of undoubted character and respectability. The following testimony is from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 9, 1848.

DR. G. W. HALSEY,—Every fall, for several years back, I have had much sickness in my family, of Bilious Disorders, and Ague and Fever. In the fall of 1848 two of my sons were taken at the same time with Bilious Fever. In former seasons, when a sickness occurred in my family, I had always employed a Physician. But at the time having two boxes of your Forest Pills on hand, I concluded to try them. I gave to each of them six Pills, and four hours after I gave them three Pills more. They soon operated, bringing away much black and green matter. On the following day the fever had left them, and they both recovered without any more medicine. Since this time I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.

NOTICE TO THE PUBLIC.

In 1840 Dr. Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar-Coated Pills." Their excellent qualities soon gained for them a high reputation and the annual sale of many thousand boxes. This great success induced other persons to counterfeit them, and commenced the manufacture of spurious Pills, which they coated with Sugar, to give them the outward appearance of Dr. Halsey's, in order to sell them under the good-will Dr. Halsey's Pills had gained by curing thousands of diseases.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ELASTIC

An article which in every respect supersedes Sugar, both on account of its keeping virtues and its durability. The discovery of this improvement is the result of a succession of experiments during three years. For the invention of which Dr. Halsey has been awarded the only Patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills possess a tasteless transparent glossy coating, impervious to moisture, which they have created, renders them better than Dr. Halsey's celebrated Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to the indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all imposition and to enable Dr. Halsey's true and genuine Pills to reach the hands of each box bears the signature of G. W. HALSEY, M.D., Utica.

Remember! If you wish to be sure of a medicine which does not contain that lurking poison, Calomel or Mercury, purchase **HALSEY'S GUM-COATED FOREST PILLS**, and avoid all others.

If you desire a safe and gentle purgative, which neither nauseates nor gives rise to griping, seek for HALSEY'S PILLS.

If you would have the most powerful as well as the most safe remedy for correcting the blood, obtain Dr. HALSEY'S PILLS.

If you do not wish to fall a victim to dangerous illness, and be subjected to a Physician's bill of 20 or 30 dollars, take a dose of Dr. HALSEY'S PILLS as soon as unfavourable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive, but produces a free action of regularity, use HALSEY'S PILLS, and avoid Salts and Castor Oil and all nauseous purgatives.

Parents, if you wish your families to continue in good health, keep a box of HALSEY'S PILLS in your house.

Ladies, Dr. HALSEY'S PILLS are safe and perfectly harmless, and well adapted to the peculiar delicacy of your constitutions. Prevent fears.

CRAMP AND PAIN-killer.

THE MOST SUCCESSFUL REMEDY KNOWN

For the Cure of all Rheumatic Affections—Pain in the Stomach, Back, Side or Limbs—Stitches in the Back, Side or Limbs—Cramp in the Limbs or Stomach—Bowel Pains, Bilious Cholic, Dysentery and Diarrhœa, Colds and Sore Throat, all cases of Local Inflammation—Cuts, Wounds, Bruises, Burns, Scalds, Frozen Limbs, Ears, &c., Toothache, Neuralgia, Swelled Joints, &c., &c.

THIS valuable Medicine is now offered to the public as the only sure remedy in cases of the above nature. And in no more than half an hour after the pain has been relieved it will cure, when we say cure, it is MEANT. Not that it will relieve for a time, and the pain return again in a few days, but cure in the sense that a cure is understood to be. Not only relieve the pain, but remove the cause, and restore the diseased part to its natural healthy condition. This is what we mean by cure, and what we intend it to be understood as meaning in the minds of those who may use it.

The certainty of its efficacy in every case in which it is used, and the perfect safety with which it can be used, renders it a most valuable medicine for the use of families, as it contains no particle of Opium in any form. Neither does it contain Camphor.

It is free from any deleterious article, and cannot, in any way, injure the most delicate constitution.

Before you finish the *Life Pamphlet*, just produce the bottle of Pain Killer, and you will find a much complimented article. It does not mention the optimistic notion of the bowels, producing Costiveness and the attendant evils, but it is a powerful Cathartic, and the effect of proper and healthy action in the bowels and intestines follows.

IN ALL RHEUMATIC AFFECTIONS,

LOCAL PAINS, &c., it has proved surprisingly successful, rarely failing to cure, even in the most desperate and long standing cases. (See Certificates.) In these cases the parts should be well rubbed, and then bathed, and then rubbed briskly, but briskly—not hard enough to hurt the patient, till an irritation is produced on the surface, and as severe cases the patient should take half a teaspoonful on sugar every hour.

CRAMP IN THE STOMACH OR BILIOUS CHOLIC,

We believe it will never fail to speedily cure. It should be in a teaspoonful at a time, on sugar or molasses, or in any manner the patient can take it best, and the stomach and bowels freely bathed. And if in fifteen or twenty minutes the patient does not find relief, repeat the dose.

DYSENTERY OR DIARRHŒA.

Are speedily and easily cured by it. It should be given a teaspoonful at a time, once in an hour or two, or oftener in severe cases, and bathe the stomach and bowels with the same.

EVEN THE CHOLERA.

Which during the past season has swept off such fearful numbers, has been cured by it, we believe in every case where it has been early and faithfully applied. In Bengal, where it proved singularly fatal, it was found to yield to this remedy, and CURTIS & PERKINS' *CRAMP AND PAIN KILLER*, was the Medicine recommended by the first Physicians, and by the Press, as the first, the surest and only remedy to be used.

As a dressing for *Cuts, Wounds, Bruises, &c.*, it is without a rival. As similar cases of *Burns, Scalds, Frozen, &c.*, relieving the pain and healing without scar.

FOR TOOTHACHE

It is, nine times out of ten, a CURE. We believe it will never fail, unless the tooth is decayed. If the tooth is hollow, saturate a little lint and put it in as cavity. Hold some of it in the mouth. If the face is swollen bathe with it.

Bathing the head with it is generally a cure for the *Headache*.

We are constantly receiving certificates from every part of the country, many of which may be seen in newspapers, and in pamphlets, which may be obtained of any of our agents.

N.B.—It is the best *HORSE AND OX LINIMENT* in the world.

Please read the following statement from John Buchanan, Esq., of Dalmont, Mo.:—

DALMONT, July 11, 1848.

Messrs. Curtis & Perkins,—For two years past I have been entirely prostrated with the Rheumatism; both of my knees were swelled to twice their original size—a large bunch came out on my breast bone, appearing like a part of the bone thrown out. Another bone was thrown out of my wrist. In short, I endured the most excruciating pains for nearly three years. I obtained the best medical assistance the country afforded, and tried a great number of medicines and prescriptions without the least benefit or alleviation, when I had the good fortune to procure a bottle of Cramp and Pain Killer, prepared by Messrs. Curtis & Perkins, of Bangor. Soon after taking it I found I could get some rest nights, and the pain became less violent. I have continued to take it and apply it externally, until I have used eight bottles. I feel much better, and was recommended.—The swelling has all gone down both in my limbs and breast, and I am entirely relieved from pain. I have been able to do a good day's work at any time for the last three months, which is more than I have done for years. No description of my case can convey the vast amount of benefit I have received from this article. I believe it is the best article in the world for Rheumatism, and always found immediate relief.

ST. LEON AND CAXTON SPRINGS.

For the past twelve months I have frequently recommended the Waters of the St. Leon and Caxton Springs, and have formed a favourable opinion of their efficacy in many of the insidious derangements and diseases. I have found both Waters well adapted, in the generality of cases, for accomplishing all the purposes of the mildest purgative, and in several complaints, over which their tonic and alterative ingredients give them, for continued use, a superiority.

SCROFULOUS AFFECTIONS, &c.

In all these distressing and prevalent cases, there is no question regarding the efficacy of this Medicine, in eminent Physician of this city, writes as follows:—

One of my children, a daughter of 5 years old, was afflicted with Scrofula, and presented a most loathsome affection, which had continued its ravages nearly two years, various remedies were tried but without effect.—The disease finally broke in several deep-seated ulcers all over the body, from which was acrimonious and very fetid. At this crisis, I commenced the treatment with Dr. Sherwood's Galvanic Embrocation—shortly after commencing the use of it, the ulcers assumed a healthy appearance, which soon conquered the disease, and a complete cure was effected.
