All this, of course, providing the mayor accepts the invitation which reached him this morning. This invitation was as follows: John Allan, Esq., mayor, Hamilton. Ont.: Your worship-

The officers of the Brantford baseall club would esteem it as a favor you could make it convenient to ssist at the opening ceremonies of he Canadian baseball league season n Brantford on May 7, when the Hamilton and Brantford teams will up by other bodies.

Summer Home. A new and original idea was brought up when it was decided to appoint a committee to investigate and make plans for the provision of a summer ottage at some lake port for the use of the girls of the extension work de-

partment during the coming summer. This will be the means of giving the girls a very profitable and pleasant vacation at a reasonable cost. The idea is well worthy and being taken

lash. His worship, Mayor Spence, of Brantford, has kindly consented to pitch the first ball, and with the chief magistrate of Hamilton as the receiving end of the battery, we are satisfied no club in the league will have a more auspicious opening. eived.

As a large number of Hamilton baseball followers have signified their intention of coming up for that game it will be largely an intercity affair and the club, management sincerel Annual Meeting. trust that you will be able to honor

them with your presence and assist ance. Very sincerely yours, THOS. J. NELSON.

President, Brantford Baseball club The invitation speaks for itself showing as it does that the mayor' fame as a ball player is not confine to Hamilton, and that some one ha

taken the trouble to look up his batting average. This invitation should prove a cause of considerable gratifi cation to all loyal fans here. It i safe to say that there will be a good representation of the latter on han to cheer the mayor as he neatly nails a player trying to steal third.

How long has the water been running? This the question that is beng asked by residents of Sheridan street, at the house owned by Mr. A.
