The Coal Situation An opinion as to the possible effect An opinion as to the possible effect of the war on coal imports from the United States was obtained to-day from an official of the government. Coal, according to this authority, is a conditional contraband of war. If shipped by private shippers in the United States to merchants in Canada and sent by sea, it would be liable to seizure by the enemy's ships.

Sent into Canada by rail, in the ordinary course of trade for consumptions of the purpose of fixing

S. G. READ & SON AGENCY

129 COLBORNE STREET

Extend a most hearty invitation to all visitors in the city during Old Home Week to make their agency the one place of pleasure and helpfulness. Come in and see us, sit down and have a chat, read a paper or book, write a letter home. The office is open to you and for your benefit and pleasure while in the city.

Many of the old boys returning home will remember the senior member of our agency Samuel G. Read was born in Brantford, began business here as a real estate agent and auctioneer in 1870—44 years of continuous business in the city, will know more of the old boys and girls than almost any other man in the city. Come in and see us. Our office is at your service while here. The lines we handle are Real Estate, Insurance, Pianos, Organs and Sewing Machines. The oldest agency in the city. Our clients throughout the Dominion and the United States, and many in the Old Countries, are our friends. Members of the same families who have dealt with us during all the years of our business history are our warmest friends. Many of these will be among the visitors to our city during Old Home Week. Come and see us; we will be glad to welcome you.
