Build Up the Small Town

The Rural New Yorker Magazine says: "It is high time that all of us paid more attention to the building up of the little towns and less to making the overgrown city larger".

This is sound advice and should be given more than a passing thought by all of us. The little town is home—or should be. It needs our support, and we are the people who must give it life and power if it is to have either. The big city cares nothing for us. It will if it can pull our dollars away and lure our boys and girls into its whirlpool, but that is the only use it has for us. The little town needs us and we need it.

Waterdown may not make as large a dent on the map as Toronto or Hamilton, but it really means more to us, and we ought to help make it something to be proud of. Get over the idea that the bright future of a country lies in great cities. It does not. The future that lies in the cities is shipwreck, smog, dirt and unclean. The true future lies in the country and in the little town. Back them up and give them life.

Presentation to Mrs. Cooper

A very pleasant event took place Wednesday afternoon at the home of Mrs. Ferdinand Slater, John street, when the Women's Institute met to bid farewell to Mrs. A. B. Cooper who is leaving the village shortly for her new home in Parkhill, Ont. After a well rendered musical program, the president, Mrs. John Anderson, on behalf of the members, presented Mrs. Cooper with a lovely cut glass flower vase; the following address being read by the District President.

Dear Mrs. Cooper:

We, the members of the Waterdown Branch of the Women's Institute, feel we cannot let you leave our village without telling you how much we appreciate the splendid work you have done for us, and the noble way you have tried to forward the best interests of our institute ever since you came among us.

You have been a very real help to us, not alone by opening your home for many of our meetings, but also for your invaluable services as secretary during the past year.

We are sorry to lose you and Mr. Cooper from our midst, but trust our loss will be your gain. We hope it is not "good-bye" but "au revoir" and that we will have the pleasure of having you with us whenever you visit our village. We ask you to accept this small token of our esteem hoping it will serve to remind you of your many friends and well wishers in the Women's Institute.

Waterdown, Aug. 18th, 1920.

Although taken completely by surprise, Mrs. Cooper in a neat little speech thanked the ladies and said she would carry with her many pleasant memories of her sojourn in Waterdown. Refreshments were then served by the hostess and a very pleasant half hour spent.

If Your Watch is Sick

Take it to

Nelson Zimmerman

"The Fine Watch Specialist"

And he will guarantee to completely cure it at a very reasonable price.

Zimmerman's Watch Hospital
Opposite Post Office, Waterdown

Change of Date

The Review will hereafter be issued Friday morning instead of Thursday. This change has been made in order that a better local news service of the week may be given.

Village Assessment to be Printed

According to a resolution passed by the Council at a recent meeting the village assessment will be printed in the Voters' List this year. This method has been followed by the Township for a number of years and has proven very satisfactory.

The Garden Party

The Garden Party given by St. Thomas church on the old school grounds Wednesday evening was a very successful affair, a splendid program of exceptionally good talent being provided. The night was ideal one, and a large number was on hand to greet the entertainers, who in turn gave the spectators more than their moneys worth. The proceeds of the evening amounted to over \$100.

CARD OF THANKS

On behalf of the Ladies of the St. Thomas Church I wish to thank all who aided in making St. Thomas' Church Garden Party on Wednesday evening the success that it was. We wish to especially thank the citizens who assisted us with the many beautiful bouquets and other articles contributed by them.

Sincerely,

Mrs. P. H. Metzger.

Doris Enid Summerhayes

The funeral of Doris Enid, youngest daughter of Mrs. Clara Summerhayes, took place on Saturday afternoon from her late residence, 278 Main street west, to Hamilton cemetery. Rev. J. M. McDonald officiated at the house and grave. The pallbearers were B. Leckie, D. MacFarlane, G. A. McCullough and H. G. McCullough. The floral offerings were both numerous and beautiful.

Eva Pearl Clark

The funeral of Eva Pearl, the infant daughter of Mr. and Mrs. H. R. Clark whose death occurred Monday morning, took place on Wednesday afternoon to Waterdown cemetery. Services at the home and grave were conducted by the Rev. Mr. Wedderburn. The pallbearers were Masters Norman Green, Gilbert Gibson, Geo. Griffin and C. Crusoe.

Millgrove Women's Institute

The regular monthly meeting of the Millgrove Women's Institute was held at the home of Mrs. Edgar Carey on Tuesday, July 27. Mr. C. M. Platt gave a very interesting talk on Canadian authors. An instructive demonstration on physical culture by Miss Agnes Hunter and a duet by Mrs. Lyons and Mrs. Drummond were very much appreciated. The next meeting will be held at the home of Mrs. Fred Griffin on Tuesday, Aug. 31st, when Mr. J. A. Dalton will give a talk on Our Government, and Mrs. J. Drummond on Flowers and Their Arrangement.

Base Ball

(By the Sporting Editor)

The Juniors journeyed to Flamboro Centre on Saturday last to show the villagers how not to play ball. In one of the worst games of the season Flamboro Centre won by a score of 20 to 2. The Waterdown boys could not bat Harris at all, and on the defence they could not stop a balloon. It was awful, and sad to relate, Reid at second played the best game, making a bare-handed stop of a line drive. Reid says "Just like the gang, when I am playing star base ball the rest all fall down".

The score by innings.

Waterdown.....0 0 0 0 0 1 0 1—2

Canada to Have a New Coat of Arms

The design for the new Canadian coat of arms has gone to the College of Heralds. The procedure is somewhat involved. After approval by Canadian government the design goes to the College of Heralds, when it is possible some minor technical changes may be suggested. Subsequently formal approval is given by the King in Council on instructions issued to the Earl Marshall, who is head of the College of Heralds.

The new coat of arms bears the device "a mari usque ad mare" (from sea to sea). It is taken from the singularly appropriate line in the 72nd Psalm: "He shall have dominion from sea to sea".

Approval of the coat of arms was the last act of the Borden government.

Toronto Fair Notes

Exhibition crowds will be the first to see the second and last installment of the Canadian War Memorial Paintings. They come to Toronto direct from England, and after the big fair will be packed, not to be shown again until the War Museum is opened at Ottawa.

An added touch of realism will be given the Canadian National Exhibition Spectacle this year by a large battle tank in action—"Over the top with the Canadians".

For the first time automobile races will be held at the Toronto Fair this year. Any automobile driver establishing a new world's record for a half mile track will receive \$1000. A new Dominion record will net the winner \$500, the drivers to select their own distances.

There are nearly 100 building both large and small used for display purposes at the Canadian National.

The grand stand at the Canadian National Exhibition has a seating capacity of 16,800, with room for 8,000 more on the lawn.
