FOOD - FOR THOUGHT

Who pays the enormous expense of those show rooms in our towns and cities? Is it not the people who buy pianos there?
Why buy from them when you can get just as good, and in many cases better, from me, delivered Free from the factory to your door? This is one of the reasons I can sell you a piano for less money than you pay at any show-room.
All kinds of instruments taken in exchange. We defy competition for the money in all grades. Get my prices before purchasing, for they are certainly very low for strictly high-grade pianos.
Also agent for Raymond, New Williams, and New Home Sewing Machines
P. S.—Pianos sold on instalment plan when wished.
