The Militia Camp at Sussex began on

A boy about fourteen or fifteen years of age is wanted at this office. Must be

fourth story window to the pavement below. The policeman and others others had, meanwhile, hastened to the room whence the suicide had precipitated himself, and found that he had murdered his wife before killing himself. The room bore evidence of a terrible struggle. A Hurricane. MESSRS. EDITORS. The late lamentable murder in the par-ish of Northesk, no doubt caused by the use and abuse of liquor, is made the oc-casion of another sneer at the Temper-ance people, (not the first by any means) by the Newcastle correspondent of the Chatham World. Would you allow me to ask through the columns of the Advo-NEW YORK, Sept. 13.-The effects

results; by men who hold leading posi-tions in our community doing all in their power to aid and abet the illegal vendor in pursuing his nefarious calling and power to aid and abet the illegal vendor in pursuing his nefarious calling, and further that even the Judges of the high court of justice in this province have been a powerful aid to the violators of law in neglecting to give their legal de-cision on points referred to them on ap-peal over one year ago. Whatever may be the cause of this delay, so injurious to 3 the well being of our people, I can not say, but it surely looks like connivance on the part of those to whom we look to see instite done without "unreasonable" of the Sound near Oak Neck. see justice done without unreasonable delay. The Scott Act is a good one, but shipping in Port Jefferson harbor.
