Mr. Fielding's estimate of the cost of the projected all-Canadian From Quelec to Winnipeg the He figures the direct and indirect Dep. G. and Master, No. 3. Newon the money expended in con-between the two statements. But Board of General Purposes (Ex-

1,638,290. The country would be liable to pay this sum annually for seven years. Mr. Fielding's estimate was that this sum would not have to be paid actually, his reasoning being after this fashion: "There Bodies Installed William B. Wallace, Donald had to be considered the present value of this sum as calculated by actuaries, and on this basis the sum of \$8,853,502 would provide for the seven years' interest. If an insurance company or trust company were paid that sum b. the expense to the government." The no action was taken. sum of \$8,853,502 would therefore,

Then as to the western division, or rather the portion of it on which Zion Lodge, of Sussex, the old Lodges—Thos Walker, M. D.. the government would have to pay warrant granted years ago by the Thomas A. Godsoe, Julius T. Whitinterest, Mr. Fielding's estimate is Ancient Grand Lodge of Nova lock. that there would be 480 miles at Scotia to the Zion Lodge then in \$30,000 a mile, a total of \$14,400, existence at Sussex. 000. For seven years the interest on that would have to be paid, and presented his credentials as the the present value of that sum is representative of the Three Globes \$2,354,575.90.

to be built under any circumstances and the most that is fairly chargeable to the Grand Trunk Pacific scheme is, sav, \$2,000,000. Mr Fielding said that the Grand Trunk Pacific would ultimately pay interest on this sum the same as on the rest of the road, but for seven years there would be no charge for interest. The actual value of that interest at the present time was \$324,246. so that the total sum
