BEWARE OF AMERICAN COUNTERFEITS

I most rescretfully take leave to ca ie attention of the Public generally to the fact, that certain Houses in New York a e sending to many parts of the globe SPURIOUS L'HITATIONS of my Pills and Ointmoot. These frauds beats on their labels some address in New York.

I do not allow my medicines to be old in any part of the United States; I have no Agents there. My Medicines are only made by ur, at 533 Oxsord Street London.

In the books of directions affixed to the spurious make is a caution, warning the Public against being deceived by counterfeits. Do not be misled by this udacious trick, as they are the coun erfeits they pretend to denounce.

These counterfeits are purchased be anprincipled Vendors at one half the price of my Pills and Ointment, and are old to you as my genuine edicines.

I most earnestly appeal to that sense of justice. Which I feel sure I may vent cure upon asking from all honorable persons, to asist me, and the Public, as far as may lie in their power, in denouncing this shameful Fraud. Each Pot and Box of the Gennine Medicines, bears the British Govern-

ment Stamp, with the words 34 Hollow WAY'S PILLS AND OINFMENT, LONDON' engraved thereon. On the label is the address, 533. Oxfor STREET, LONDON, where alone they are manufactured. Holloway's Pills and Ointment bearing any other address are counterfeits. The Trade Marks of these Medicines

are registered in Ottawa. Hence, any one throughout the British Po-sessions, who may keep the American Counterfeits for sale, will be prosecuted. Signed THOS HOLLOWAY
