A Woman in the Case.

There always is. She is the power behind the throne. A woman's influence over the man who loves her is often absolute. To wield so great a power to guide, strengthen and help her husband, a woman's mind should be clear and healthy. It cannot be if she is suffering from any functional derangement. How many a home is made unhappy because she who should be its life and light is a wretched, depressed, morbid invalid! Wives, mothers and daughters, why suffer from 'female complaints' which are sapping your lives away, when Dr. Pierce's Favorite Prescription will renew your health and gladden those about you? It has restored happiness to many a saddened life. Why endure martyrdom when release is so easy? In its special field there never was a restorative like the 'Favorite Prescription.'

To cleanse the stomach, liver, and system generally, use Dr. Pierce's Pellets. 25 cents.

Messrs John, Ed. and M. Brennan, Wingham, have left town for Chesley, where they are going extensively into the tannery business. They will be greatly missed from Wingham.

We learn that Mr J. E. Davis, of the Mitchell Advocate, and brother to Mr H. Davis, of Wingham, is very low with an attack of influenza and pleurisy.

Not only is la grippe most wonderfully bad in Wingham, but measles also are very prevalent, quite a number of adults being down with the same. Mrs Thos Moore was beginning to mend nicely, when she was stricken with the last mentioned disease, and with the combination there is very small chance of her recovery.

A brother-in-law of Mr Robert Young (of Hanna's store), Wingham, left for the States when very young, and from the first has been clerking for a very rich merchant, the same being a bachelor. A few weeks ago he died, when Mrs Young's brother and also the head book-keeper of the firm received the neat little sum of seventy-five thousand dollars each; a neat little fortune for a young man of thirty, is it not?

SIR—I have been recommended to you for a cure for Salt Rheum. Three years next Christmas it began in my left hand. We had a severe winter here and my hands were chapped. I washed a suit of indigo blue flannels and poisoned my hands. Mrs MILLETT.

Answered and Renovator sent August 27th, 1889.

VICTORIA, B. C., Dec. 27th, 1889.

J. M. McLeod,
 DEAR SIR.—When I first began taking your Renovator my hands got much worse until I had taken half of the bottle, then they gradually began to get better. They are much better now. My general health is good. It is a splendid Medicine. I wish we could get it in Victoria. Mrs Laker told me about your medicine. I told our druggist here the good your medicines have done me, and I affix his address, presuming you might like to write him. Yours &c. Mrs MILLETT.

FINE TAILORING

**FALL SUITS AND OVERCOATS
 FOR GENTLEMEN.
 \$15, \$18 AND \$20**

Butler says, "A gentleman's taste in dress is upon principle the avoidance of all extravagance; it consists in the quiet simplicity of exquisite taste."
 My new fall suitings and overcoatings are very attractive, of Cassimere, plaid and Black Cheviots and Worsted. These goods are carefully handled in their manufacture, are properly cut and trimmed. No city merchant tailor turns out handsomer, better or more durable suits.
 Come at once and see the goods and prices.
