EDWIN MURRAY

League Hockey.

The Victorias defeated St. Bon's by three goals to two at the League match in the Prince's Rink last night. Ten minutes play went on without any scoring. St. Bon's put on a spurt and Walsh scored the first one for the evening.

Meehan, Paddon and Tobin were sent off the ice for two minutes each for foul play.

Parsons and Bulley got in some good work and made several promising attempts to score. After about 15 minutes of slow play a scrimmage took place and out of it Shortall sent in No. 2 for St. Bon's. Half time ended without any further scoring.

Second Half.

Walsh and Collins did some promising combination work on the resumption of play, but failed to score. Brien was sent off for fouling. Paddon made a good shot for goal, but Walsh saved too well for him. Meehan did some fouling and was sent off the ice. Fifteen minutes vigorous play followed all over the ice, and out of it Parsons secured the first goal for the Victorias.

Godden put up a good fight for St. Bon's and was well backed by Collins, but no scoring resulted. Meehan was struck in the face with the puck, and Collins was sent off the ice for rough playing. A few minutes afterwards Brien sent in No. 2 for the Victorias on a clever pass from Parsons. When time was called the score stood two on each side.

There was a lively time on the play-off. At the end of eight minutes Tobin, of the Victorias, secured the goal that decided the victory.

The line up was as follows:—

Victorias.	St. Bon's.
Cunningham goal	S. Walsh
N. Vinnicombe point	W. Hearn
G. Paddon c. point	W. Godden
G. Bulley rover	Meehan
C. Parsons left wing	S. Shortall
J. Tobin centre	D. Walsh
F. Brien right wing	F. Collins

CHAMPAGNE TRUCE.

The Champagne wine-growers whose vintage failed this year, and who indulged in violent roils last week to show their disapproval of alien wines coming into the district to be treated by champagne processes—have kept unbroken their truce with the authorities.

Mass meetings arranged recently were countermanded, and the feast of St. Vincent, their patron saint, was celebrated in peace. M. Valle, senator of the Marine Department, has again assured the wine-growers of the Government's determination to redress their grievances.

This latter will be for the benefit of the shop hands and all the performers will appear in very interesting specialties which will include songs, recitations, sketches, etc. The Company has since coming here earned an excellent reputation and theatre goers have enjoyed their plays to the full.

HOCKEYISTS INJURED.—In last night's match, Meehan of St. Bon's team had his lip split open by a blow from the puck and D. Walsh being charged by Paddon, had his head badly hurt by hitting the fence. Parsons was also hit with the puck but not seriously hurt.

SAILORS RECOVERING.—Messrs. Harvey & Co. recently had word that the three sailors of the Minnie Pearl, who are suffering from smallpox and are at the Azores in their vessel, are doing well. The vessel which was damaged while on her run from Cadiz to the West Coast, is being given the necessary repairs.

SAILING DELAYED.—Owing to the stormy weather prevailing, the banker Gertrude, Capt. Walter Kennedy, which was to sail for the Burgeo fishing grounds Wednesday, will not leave until March 1st. She has her bait and supplies on board and Capt. Kennedy will leave next week to join her. As fish are reported plentiful he hopes to do well.

MISSING BOATS RETURN.—Hon. R. Watson, at 8 last night had a wire from Scilly Cove, saying that two boats had gone astray in Trinity Bay, and asking for assistance. He was requested to keep the telegraph offices on the shore open till midnight.
