Stained with Cabot's Shingle Stains

Twenty-five Years of Proof

"I built a house 25 years ago and the same shingles on to-day. Rebuilt another five years ago, and in each case Cabot's Creosote Stain is good shape. Gladly, I'm afraid to build without using it."

EDWIN F. GARMAN, Bellefonte, Pa.

Cabot's Creosote Stains

saved him the expense of re-shingling and re-staining. They preserve the wood and tastefully beautify it. You protect yourself from tawdry, fading colors and rotting shingles by being sure that Cabot's are used.
