Good Men are Getting Scarce
around here now. We are out to protect those who are left.
Some of you have been running round lately in your Shirts
which you used to wear in the good old summer time, as you thought we were having a mild winter.
WE WERE—BUT NOT NOW!
This is just a few words to say that we have lots of
Warm Cold Weather Shirts for Men,
in Striped Flannels, Winceys, etc., at reasonable prices. And now, as you will find, you will really want some good warm Underwear, we say
STANFIELD'S Shirts & Drawers,
made of soft, warm, unshrinkable wool,
Are the Finest Kind of Underwear for Cold Weather.
They will keep you as warm as toast, despite the most chilling breezes, and they will withstand the hardest handling of the most inexorable washerwoman, and still remain as soft as wool should be.

HENRY BLAIR.
NO MATTER HOW THE FIRE IS CAUSED
if you're not insured, you're a loser. Take time to see about your policies. We give you the best companies and reasonable rates.

Parcels for Newfoundland Forces Overseas!
1) Parcels must not exceed 10 lbs. in weight.
2) Parcels addressed to members of the Newfoundland Forces Overseas should bear the name and address of a second addressee to whom the parcels may be delivered or forwarded if it should prove impossible to deliver the first. The original address should be written on the parcel where the postage stamps and Customs declaration are affixed, and the second or alternate address should be written on the BACK of the parcel. If not deliverable to first addressee, send to... (2nd addressee).
3) If a second address is not furnished at the time of posting, delivery cannot be effected, the contents of the parcel, unless of substantial value or of a personal nature, will be turned over to the Authorities for distribution.
4) Parcels containing articles of personal nature or of special value will be returned if a request for return in case of non-delivery is written on the parcel at the time of posting.
5) This plan is being adopted on the suggestion of the British Post Office, which states that the procedure of holding undelivered parcels at the Dead Letter Office, instructions are received as to disposal resulting in the loss of a large quantity of perishable contents, which form the contents of per cent of parcels addressed to soldiers.
